### Principal's Report

#### Welcome Kindy 2017!

Last Thursday we had many excited new Kindy students come to 'big school' for the first time. They enjoyed being in the classrooms, listening to a story and creating a beautiful butterfly to take home. Whilst the children were experiencing life in the classroom, the parents/carers attended an Information Session that included presentations from Lindfield Activity Centre, Clothing Pool, P&C, Library school student leaders (Lucie and Sarah) and myself. We look forward to seeing the boys and girls again this Thursday and providing more information to their parents and carers.

#### Presentation Day Assemblies - a time to celebrate student achievement

Parents, carers and friends are invited to join with us in celebrating student achievements in 2016. We will be holding Presentation Day Assemblies in our School Hall. All students will be involved in singing a song and each assembly will showcase some of our Performing Arts groups. The dates are as follows:

Kindergarten

Monday 5 December from 9.30 – 11am approx

Stage 1

Tuesday 6 December from 9.30 – 11am approx

Stage 2

Wednesday 7 December from 9.30 -11am approx

Stage 3

Thursday 8 December from 9.30 -11am approx

## Congratulations Maths Champions!

Sixty of our best Years 5 and 6 mathematicians competed in the Australasian Mathematics Olympiad competition this year. It consisted of 25 difficult maths problems to solve in a set timeframe. Our team champions were Jonathan H (24/25) and Nicholas G (20/25). Certificates for effort and improvement were awarded to Jeremy S and Mitchell A-P. Cloth badges were awarded to those who achieved in the top 25%.

## Thinking of Others

Congratulations to Lucy W and 5S for organising a Stage 3 Cake Stall to raise money for children suffering from brain cancer. A total of \$507 was raised to go towards research into this illness. Thank you to Lucy, 5S, Mrs Shield and Stage 3 students for contributing to this wonderful result.

## Health Alerts

Please be aware that we have some cases of Chicken Pox and Hand, Foot and Mouth Disease currently in our school. For more information about these illnesses please click on the links below and seek medical advice.

## After School Mandarin Class

I have been approached by several interested parents/carers about a Mandarin class after class. There will be an Information Session on Thursday 17 November from 3.15-4.15pm in the Community Room for interested parents/carers. If sufficient interest exists, an after school class will be trialled, with tuition costs to be paid by parents/carers. See the flyer elsewhere in this newsletter.

## Early Career Teacher Network

Several of our early career teachers were presented with certificates from our Premier, Mr Mike Baird at a ceremony last week. These teachers have been attending regular workshops to develop their skills and strengthen their teaching practice in these early years of their teaching career. We thank them for their enthusiasm and participation in these events as our students benefit from this input. Congratulations to Miss Sachs, Mr Smith, Miss Ginges and Miss Sorrell.

## Thank You Morning Tea – Tuesday 29 November from 11.00 -11.30am under the COLA

Lindfield PS staff would like to invite parents/carers and community members to a 'Thank You Morning Tea' to acknowledge your contributions to our school. We would like to show our appreciation for all that you do for us in our classrooms and around the school. Please see the invitation in this week's Lines for more information.

## Chess Tournament

On Tuesday of last week, 36 chess players participated in the North Shore Primary Schools Chess Tournament at Castle Cove PS. Our teams performed admirably with many placing in the top four of their division and one team was awarded 2<sup>nd</sup> place. This team received their trophy at yesterday's assembly. Thanks to Mrs Emeny, Miss Mustaca and Eric for organising and supervising this tournament.

## Project Based Learning Stage 3

I attended the Stage 3 Project Based Learning presentations yesterday and was impressed with the quality of their research, design and consideration of environmental factors. This is evidence of deep learning and students and their teachers are to be congratulated on their efforts. Well done Stage 3!

## Deputy Principals' Report

---

### Leaders Visit State Parliament House

On Friday Miss Mustaca had the pleasure of accompanying our student leaders Lucie, Daniel, Sarah and Toby to NSW State Parliament House. Jonathan O'Dea, Member for Davidson, took our leaders on a tour of the Legislative Assembly and the Legislative Council and then presented them with a certificate to recognise their work as leaders. Mr O'Dea explained how important it is to encourage others to lead and contribute to our school and community.

### Stage 3 Project Based Learning

Stage 3 has been very busy working on their Project Based Learning driving question of 'How can we improve the design elements of the 2020 Olympic Games?' Students invited their parents, carers and community visitors to come and see their work on display in the hall where students spoke about their projects. We were very impressed with the standard of the projects, the amount of collaboration, critical & creative thinking as well as communication skills on display yesterday. It was obvious from the passion and enthusiasm that the students presented their work with, that they thoroughly enjoyed this Science unit of work using the Project Based Learning method of teaching.

## Halloween Dance-A-Thon Prizes

We had the great honour of handing out prizes to students who raised the most amount of money at the dance-a-thon.

See the flyer elsewhere in this newsletter.

## Remembrance Day Assembly

On Friday we had Remembrance Day Assemblies for Years 3-6 and K-2 students. Students were reminded that in 2017, 11 November marks the 99th anniversary of the Armistice which ended the First World War (1914–18). We observed one minute's silence, in memory of those who died or suffered in all wars and armed conflicts. Thank you to Miss Nero and Miss Dunger for their organisation of the assemblies. Miss Mustaca also accompanied our student leaders (Lucie and David) to Roseville Memorial Club to join with other local schools and community members to commemorate Remembrance Day.

## Information Session for After-School Mandarin Lessons at LPS

### Hua Xia Chinese Culture School Inc.

The fact that Mandarin Chinese is the second most spoken language globally reflects that having it on your 'tool-belt' is highly beneficial both personally and professionally. The beauty and attraction of Chinese is derived from its profound cultural heritage. Our teaching is primarily focused on this culture and the ability for students to communicate across Australian and Chinese culture, by using a style of culture-leading and student-centred pedagogy, with an interactive teaching mode. We teach Mandarin and Simplified Chinese through an 'easy and fun' model using games, singing, dancing and stories. We make learning at Hua Xia Chinese Culture School fun and informative, and we wish to bring this to you starting Term 1, 2017.

If there is sufficient interest, an after-school class will be trialled at Lindfield PS in Term 1 2017. This will be a class run by Hua Xia Chinese Culture School Inc and they will charge parents/carers a tuition fee.

## Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2016, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

### Save The Date - Our Last P&C Meeting For The Year

Our last P&C meeting for the year will be held at 7.30pm on Thursday, 17 November. Cheese and wine will be served. Please see agenda attached. We also know that a P&C meeting can be rather daunting so we thought everyone could bring along a buddy. I would also like to personally dispel some myths about P&C meetings.

#### P&C myths

**Myth 1 - *If you attend a meeting you have to volunteer for something.***

**Truth** - Come along and meet some new faces. The main purpose of a P&C meeting is really to learn more about our school. It is a great way to meet other parents and discover new things about our school.

**Myth 2 - *It is scary and everyone knows everyone else.***

**Truth** - The only way to meet people is to actually turn up to a meeting. It's just like the first day of school for our kids, we all become friends sooner or later.

**Myth 3 - *If you go once, you have to go to all of them.***

**Truth** - There is no pressure to attend any of our meetings. You might see something interesting on the agenda or you may want to raise something or you might just want to come and listen.

Please come and join us.

Everyone is welcome!

Enjoy your week!

# Canteen

## Canteen Specials Day - Thursday 17 November

Don't forget that this Thursday is Canteen Specials Day. If you have ordered a canteen special lunch please remind your children that they are having one.

## Canteen Large Lunch Bags.

It is very difficult to fit more than a couple of things in the brown lunch bags when packing them. The canteen sells larger bags (\$4.50 for 50 or \$8.00 for 100) which are much easier to pack, this means your child's lunch gets to them safely and not squashed or lost. Bags can be picked up from the Canteen or write it on your next lunch order and they will be given to your child to bring home.

Thank you to everyone who is switching to the bigger lunch bags, it really makes a difference.
