## Principal's Report

### Literacy In Action at LPS

Literacy groups are an important part of our English program for all classes in Kindergarten to Year 6. Students read fiction and non-fiction texts aligned to their reading level, developing valuable oral reading and comprehension skills. A main part of literacy groups is the questioning and clarifying that takes place as they read. When comprehending, students are left with a sense of satisfaction from having understood the meaning of a text. We also aim to engage students in the text they are reading by encouraging them to predict and make connections with the text.

We thank our parent helpers for their dedication and support with our literacy groups program.

### Lest We Forget – ANZAC Day Assemblies

This week we will pause to remember the sacrifices made by our servicemen and women in war. Kindergarten and Year 1 will conduct their assembly on Thursday 7 April and Years 2-6 will participate in an ANZAC Day assembly on Friday 8 April.

All students are invited to wear a sprig of rosemary on the day of their assembly.

*Principal's Report continued*

## Term 1 Accounts – due Tuesday, 26 April 2016

Thank you for your tremendous response to our Term 1 Accounts. We appreciate your quick action. The Term 1 Accounts requesting payment for excursions, activities, resources and programs can be found on the school website. They were also emailed and issued as notes to the students last week.

## NAPLAN (National Assessment Program - Literacy and Numeracy) Years 3 and 5

An information note was distributed this week containing dates and additional detail about the NAPLAN testing program. It can also be found on our website under 'Notes'. This year it will be held on the following dates:

Tuesday, 10 May 2016 – Language Conventions and Writing

Wednesday, 11 May 2016 – Reading

Thursday, 12 May 2016 – Numeracy

Friday, 13 May 2016 – 'Catch Up' Day

Please do not book any dental or medical appointments for Years 3 and 5 students during this time.

## Chicken Pox and Whooping Cough (Pertussis) Alert

Please be advised that we have reported cases of Chickenpox and Whooping Cough in K-2. Factsheets can be found at <http://www.health.nsw.gov.au/Infectious/factsheets/Pages/chickenpox.aspx> and <http://www.health.nsw.gov.au/Infectious/factsheets/Pages/Pertussis.aspx>

## Applications for Extended Leave for Travel

If you wish to travel for 10 days or more in school time, you must first apply for leave from the Principal. The Application for Extended Leave for Travel form is available from both the office and website and should be completed prior to your trip, not afterwards.

## Uniform Changeover

As weather can be unpredictable, students may return in either summer or winter uniform for the first two weeks of Term 2. No mixed summer/winter combinations are permitted. From Week 3, all students should be in full winter school uniform.

## Staffing News – Term 2

We wish Miss Krista Rampe safe travels as she takes leave for the rest of the year. Mr Luke Harris will teach 3R from Term 2 and parents will be invited to a 'Meet the Teacher' evening. I would like to congratulate Mrs Caroline Desmond who has been offered a position leading the implementation of a new Department of Education finance and administration system (LMBR) with Principals and Administrative staff in our network. We wish her well in this new venture and look forward to working with her in a different capacity. Mrs Desmond will be taking on this role from 26 April until 25 November. During this time, Miss Angela Mustaca will be the Relieving Deputy Principal. I am currently sourcing a teacher to teach 4M for this time and am seeking expressions of interest from staff for the relieving Assistant Principal position. The successful staff members will be announced next term.

## Happy Holidays!

I wish you all a relaxing holiday with family and friends and thank you for supporting our school this term. Our school community assists us in so many ways - literacy and numeracy groups, swimming and excursion helpers, canteen and clothing pool volunteers and class parents. Your contributions are valued by the teachers and executive – thank you. My thanks also go to the dedicated teaching and administrative staff at LPS who work tirelessly to ensure that we provide a quality education for all students. I would also like to thank you for the warm welcome that I have received from the students and parents in my first term at Lindfield – although I haven't stopped since I began, I have loved every minute of it and look forward to doing it all again next term!

## Deputy Principals' Report

---

### Garden Club

The children's hard work in the garden is now sprouting! We are so pleased that our gardens are now once again growing and doing very well. We are looking forward to growing potatoes when the weather gets cooler.

### SEaL Program

Today Kindergarten participated in their last day of the Social and Emotional Learning Program. They have had so much fun learning about dramatic skills and visualisation techniques while exploring social emotional learning areas such as: social awareness, social management, self awareness, self management and reflection.

### 'Plickers' for Assessment

We enjoyed watching Miss Liddell use the 'Plickers' application today with her Year 2 classes. 'Plickers' is a simple tool that lets teachers collect real-time formative assessment data without the need for student devices. Student's answers to questions are taken from cards that are turned in different directions for different answers to questions and then the i-pad is used to scan the response which it then graphs the results for the class to see. This gives feedback to the teacher and students to react to instantly. Results are collated on the application and are then used to inform the next sequence of teaching lesson.

### Term 2 Recreational and School Sport Options

Yesterday students in Years 3 – 6, who are not participating in Term 2 PSSA, received a note about the Recreational and School Sport Program. The program which will run for eight weeks includes; rock climbing, sports skills, tennis and zumba. Students also have the option of doing school sport. Preferences must be filled out and returned to the box in the office by Thursday, 7 April 2016.

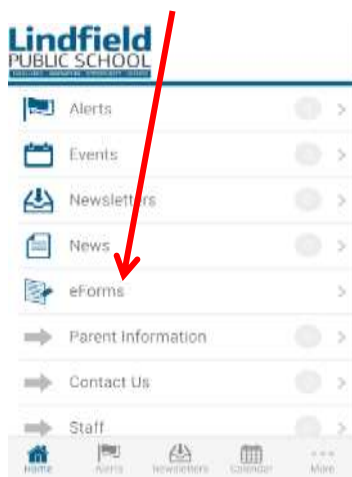

## Absentee Notification

The Absentee Telephone Line is no longer in operation. We would appreciate it if you record student absences via the **Skoolbag app** which can be downloaded from the app store. Just search for Lindfield Public School.

## Medical Alert Updates 2016

Please ensure all the children with anaphylaxis and other medical conditions, hand in their updated action plans. Kindly ask your doctors to sign, stamp and date them. The school needs to receive a coloured copy of the action plan for our health records. All students with a known medical condition must provide updated health plans for 2016. Thank you for your ongoing support.

## Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2016, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6. How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

# BOOK DONATIONS

---

Due to the high number of students in the school with another language other than English, an area in the library is being set up for:

## **BILINGUAL AND LOTE (language other than English) BOOKS**

It is important that students continue to use their first language while gaining knowledge of the English language. It is also important that our library has books that are suitable for all our students especially the older students that are newly arrived to Australia.

Some of these books will be bought by the school but we would be grateful for any donations of books in languages other than English. They should be in good condition and suitable for a primary school library.

Please put any books that you would like to give to the library in the box on the school office counter. They can be placed in a plastic bag and your name can be included on a piece of paper.

Please let other parents know about this new area of the library.

Cross Country is also available at state and national levels.

The race costs are:

Once registered, you will be required to sign participation waivers.
