Principal's Report

Lindfield Launches Edublogs!

We are very excited to announce that from this term each class at Lindfield Public School will have its own Class Blog. The purpose of our LPS Class Blogs is to inform parents of what is happening in their child's classroom. Teachers will regularly post information and the Class Parent will also be able to post social or necessary organisational information for the class.

This week Kindergarten blogs feature what they are doing in Mathematics, Year 1 have blogged about their dance lessons some Year 4 classes shared their Raw Art experience and some of the senior classes described making their first electrical circuits in Science. They make for an interesting read!

We trust that you will enjoy viewing your child's blog and connecting with their learning. Don't forget to share the blog with your child and talk to them about what they are doing in their classroom.

Off to Camp!

Our Year 5 students were very excited this morning as they set off for a three day camp at Morisset. There they will participate in a range of adventures and activities including archery, canoeing, raft building, mud challenge, giant swing and other challenges designed to take the students out of their comfort zones. Thanks to Mr Katrak, Ms DeValle, Mr Gortley and Mrs Shield for giving up their personal and family time to accompany these students to camp. We look forward to hearing about your adventures!

Student Leadership Camp

Collaroy Centre

2016 Student Leaders

Leadership camp was a great experience for everybody. It involved many activities and was really fun. The camp was held at the Collaroy Centre near Dee Why Beach. Our leaders Lachlan, Lucie, David, and Sarah attended the camp. During the camp, we made new friends from other schools, learned how to use better teamwork and new leadership skills through many outdoor and indoor activities. During our time in camp, we enjoyed contributing to the teamwork activities and encouraged one another to become better leaders.

Activities: The activities undertaken were leadership workshops, abseiling, rock climbing, flying fox, laser tag, archery, and teamwork stations ('Initiatives'). We were all thrilled with the activities. It was not only fun, but as leaders we used leadership skills, determination, encouragement, teamwork, and cooperation in each activity. The most exciting activity for us was laser tag or 'initiatives' since both had elements of fun and gave us time to show great teamwork.

Overnight sleep: Our leaders were separated into boys' and girls' cabins. They were in cabins with school leaders from a range of schools. The other students from different schools immediately became mates as they got along in their cabins playing games such as Marco Polo or Slow Tip.

Overall the camp was full of enjoyment and learning about leadership. We loved the experience and would definitely recommend it for next year's student leaders.

100% hOPE Ugandan Choir visit – Mufti Day Monday 23 May

Students are invited to wear any bright joyous African colours and to bring a gold coin donation to support the 100% hOPE choir on Monday next week. The choir tour aims to raise funds for five new classrooms at the 100% hOPE school. The 100% hOPE choir will visit and perform at LPS, giving an insight into their culture and experiences. The founder of the 100% hOPE charity, Australian teacher, Trishelle Grady and choir members will answer questions and discuss how the children learn at school in Uganda, where children face many challenges. They will also enjoy a mini-concert, before the full performance on Tuesday night.

Year 6 Jerseys

Yesterday our Year 6 students received their Year 6 jerseys. We think they look fabulous!

Year 6 Benches

Last year, our 2015 Year 6 students organised a mini-fete to purchase a gift for the school. Three benches for outdoor learning were purchased and are located on the veranda outside the Year 6 classrooms. They are getting much use and we thank Year 6 2015 for their gift.

RAW Art

Students have been extremely keen to take part in Raw Art lessons which are taking place this term and in Term 3. Raw Art is celebrating 20 years of 'getting creative' with kids. During this time they have taught over 1 million creative little artists and have visited hundreds of wonderful Primary Schools. Their professional artists run creative workshops, exposing children to a wide range of art experiences. Below you can see photos of students in 4M who made Decorative Mexican Clay Skulls, 4N made Chinese Dragon Hand Puppets and 6A designed Ceramic Landscapes.

It's that time of year again when our school seriously starts talking about walking!

Friday 20 May 2016

is Walk Safely To School Day

Not only is walking a wonderful way to get you where you want to be, but it also gets your health – and your child's health on the right track too. So that's why this year our school is participating in National Walk Safely to School Day on Friday 20 May 2016. Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. Although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine. You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic. Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 20 May 2016!

2016 Interschool's Snow Sports Championships

Skiing And Boarding

The interschool's regionals are in July. If your children love to ski or snowboard, join the Lindfield Public Snow Sports Team in 2016. Interschool's is a lot of fun for the whole family. You don't have to be a fantastic skier or boarder to participate. It is a wonderful experience for the children to learn to race.

This year's interschool's dates are as follows:

- **Regional Championships:** Thredbo 6 July 2016 to 9 July 2016
- **State Championships:** Thredbo 24 August 2016 to 28 August 2016
- **Nationals:** Perisher 7 September 2016 to 11 September 2016

The disciplines available to compete in are:

- **Alpine** (skiers are timed on a modified giant slalom course)
- **Skiercross** (skiers are timed on a slope-style course)
- **Freestyle Moguls** (skiers are scored on a bumps/jumps course)
- **Snowboard GS** (boarders are timed on a modified giant slalom course)
- **SnowboardX** (boarders are timed on a slope-style course)

Cross Country is also available at state and national levels.

The race costs are:

1. Annual Registration is \$30.00 per person (includes even insurance).
2. Each race is \$40.00 per racer, per event.

Once registered, you will be required to sign participation waivers.

For further details, please see the website: <http://nswinterschools.com.au/>

The competition is in divisions according to your year at school. Board, moguls and skier cross there is Division 5 (Kindergarten to Year 4) or Division 4 (Years 5 and 6). Alpine, there is an additional Division 6 (Kindergarten to Year 2) and then Division 5 becomes Years 3 and 4.

Lindfield has been competing in the Championships since 2002 (and 1996/97 seasons). Some of Lindfield's competitors have made it to state level and/or Nationals. Over the past two years, a current student at Lindfield has competed at Nationals.

Languages Other Than English Book Donations

We are still on the look out for donations of good quality, popular children's books that are specifically written in languages other than English to help support our EAL/D students in our school. If you happen to have any books in other languages that you would like to donate, or know of families who might, please send the books either to the library or place in the marked box on top of the trophy cabinet in the front office foyer. We would love books in Chinese, Korean, Japanese or Spanish - but will accept all languages!

Happy reading! ☺

Medical Alert Updates 2016

Please ensure all the children with anaphylaxis and other medical conditions, hand in their updated action plans. Kindly ask your doctors to sign, stamp and date them. The school needs to receive a coloured copy of the action plan for our health records. All students with a known medical condition must provide updated health plans for 2016. Thank you for your ongoing support.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2016, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6. How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

LPS Fair for 2016 - volunteers for a fete committee

Time is running out for the P&C to make a decision on whether LPS will hold a Fete this year. A significant amount of work goes into planning and running such an event. So far, only 12 of the 24 positions of the "Fete Committee" have been filled. Specific roles have been created to make it less onerous on any one individual. This is a great opportunity to be involved in not just a school, but a large community event. If you are interested in volunteering for this, please sign up using the link as soon as possible. A decision regarding the Fete will be made at our next P&C meeting.

Unfortunately, if we do not receive enough volunteers to form the Fete Committee, we will be unable to hold the event this year. <http://www.signupgenius.com/go/30e0544a8ae29a1f58-lpsfete>

P&C Levies

The P&C sent home this week not only a notice for this year's P&C family contribution fees but a brochure on how the P&C raises its money and where this money has been spent. Please ensure all payments relating to P&C items (P&C Family Contributions, Band Fees, Swimming etc) are made via the P&C website www.lpspandc.org.au and not via the School's POP system. The POP system is for school invoiced payments such as excursions, semester fees etc.

Belated Thank Yous

A belated thank you to all the families who turned out and supported our Mothers' Day breakfast. A huge thank you to Natalie Brandon who helped out enormously. Also thanks to our dads Bradford Song, Andrew Loel, Jason Wong and Daniel Turk. Thanks to Jules for helping with the set up and Debbie for accommodating the breakfast on her very busy Friday morning. Also a big thank you to Mary Alonti for the loan of her chairs so that our mothers could actually 'take a load off' and enjoy their breakfast. Many thanks to all the parents/carers who volunteered their time to help on the day.

Next P&C Meeting

Our next P&C meeting will be Thursday 2 June at **9:10am**. Megan Lockery will be presenting on 'Technology in the Classroom'. All parents and carers are welcome and encourage to attend. Please see the full Agenda in the Lines for further details.

Enjoy your week!

Term 2 Menu

Our new Term 2 menu is up and running. Please make sure you are using the new Term 2 menu when ordering from the canteen.

New to our menu this term – Vegetable spring rolls x 4 \$2.50. The canteen is now also selling sweet chilli sauce sachets for 40c

Canteen Large Lunch Bags

It is very difficult to fit more than a couple of things in the brown lunch bags when packing them. The canteen sells larger bags \$4.50 for 50 or \$8.00 for 100 which are much easier to pack. This means your child's lunch gets to them safely and not squashed or lost. Bags can be picked up from the Canteen or write it on your next lunch order and they will be given to your child to bring home.

String Program

Thank you to everyone for your contributions to the string program this year. All the students are working very hard towards various concerts and activities. Please can you remind your children to practise their ensemble music and take it to their tutors.

Just a gentle reminder too, about the Code of Conduct. Sadly, there are some students who are not behaving as well as others and this ends up letting everyone down. All students must respect the conductor and pay attention. We know it can be tiring, which is why we encourage a small snack before rehearsals. The good news is that whilst they are playing, the fireworks in their brains are like New Year's Eve, hopefully setting them up for a good homework session when they get home!!!

Timetable

PLEASE NOTE THE TIMES ON THIS SCHEDULE. All other times previously published no longer stand. This is the current schedule.

Ensemble	Rehearsal Time	Room	Representative
Mozart	3:10 pm – 4:10 pm	Hall	Daphne Chan
Amadeus	3:10 pm - 4:10 pm	Music Room	Deborah Koh
Bach	4:15 pm - 5:15 pm	Music Room	Cath Chalmers
Vivaldi	4:15 pm - 5:15 pm	Hall	Margaret Taylor
Ravel	5:15 pm - 5:45 pm	Music Room	

If you attend LAC and are having lessons at the school, please complete the forms at LAC giving permission for their staff to take your child to their lesson. This is really important as the staff are not allowed to take students without your permission.

Chess

Winter is coming! As the cold sets in, the Great Chess Houses are on the move as carefully laid plans are put into motion. Two teams from House Grammar come to House Lindfield for fun, feasting and frivolity. Or so they are told.....

Round 2 of the NSW Junior Chess League Primary Schools Competition was played last Friday with five of our seven teams in action, four at Home and one Away. Having some of our teams Home and some Away each week is working reasonably well this year (last year was either all Home or all Away each week) and allows for more space and civilised games.

Lindfield A played Lindfield B for a win (4-0)

Another local derby and the matches were tough to watch. We wondered if we had the right team selections. Anyway, Joshua handled a strong showing from Asher, Jannah and Kailash had a long duel, while Jeremy and Matthew disposed of Tom and Kian.

Lindfield C played West Pymble A away for a win (3-1) (Aggregate 7-1)

As our Home matches were finishing we wondered 'When will the C's come back?.....Oh they're back already!' James W, James L, Joshua, Lachlan went on a romp against West Pymble, who had a Year 1 in their only team. West Pymble....subjugated.

Lindfield D played Sydney Grammar C for a draw (2-2) (Aggregate 6-2)

An interesting matchup between two mid-ranking teams from the two dominant schools and it was interesting to watch. James and Felix went down, Tristan won his. Bryan and his opponent were very evenly matched and set for a very long game, before Bryan decided to just end it. Well done team.

Lindfield E had a Bye.

Lindfield F had their match rescheduled and will play later this term.

Lindfield G played St Ives F for a draw (2-2) (Aggregate 5-3)

Another interesting matchup and honours were even here too. Clinton and Alex winning theirs, Jason losing his. Marcus and his opponent seemed to be playing speed chess, with Marcus edged out.

Our thanks to Rowena for doing the Driving duty, Debbie again for her amazing sandwiches and our Chess Captains for really eagerly looking out for the visitors.

This week Year 5 are on Camp so some matches have been postponed. Lindfield A - to be rescheduled. Lindfield B have a Bye, Lindfield C v Abbotleigh A, Lindfield D - to be rescheduled, Lindfield E v West Pymble A, Lindfield F v Sydney Grammar C (away) and Lindfield G v Abbotsleigh C (away.)
