Principal's Report

Celebrating the Festival of Instrumental Music

Last Thursday night, Vivaldi String Ensemble joined a massed instrumental group of strings and recorders to perform at the prestigious Sydney Opera House. Our ensemble enjoyed the experience of learning a repertoire with other schools from across the state and playing in a finale with over 700 students. The concert was thoroughly enjoyable and I was so proud of all our students. Congratulations to Vivaldi ensemble, conductors, tutors, Strings Committee and parents and carers for making this event so spectacular.

Father's Day Breakfast this Friday

Happy Father's Day to all our dads for this Sunday! I hope to see many of you this Friday at the Father's Day Breakfast from 7.30 – 8.45am. Let's hope that the children spoil you on Sunday!

LMBR Goes Live!

On Monday we 'go live' with the new financial and management system called LMBR (Learning and Business Management Reform). There will be a period of transition when we will be unable to process payments, look up payments and complete other student administration tasks. Please be patient during this time while we learn new ways of doing business and enter into a new (and exciting) system which will allow for more efficient transactions and communication between our student management systems and finances. We will let you know when our POP (Parent Online Payments) and finance systems have been activated.

Father's Day Artwork on Display and Published!

Many of our Years 3-6 students celebrated their fathers by creating portraits. These have been displayed around the shops at Lindfield. Several of our students are winners in the art competition – Elise G, Amelie F and Jessica L. We also have been included in the North Shore Times 25 August edition.

RoboCup Success

Mr Brock and Miss Liddell took an eager bunch of Robotics students to the RoboCup 2016 last Friday and Saturday. They were well prepared for this competition demonstrating teamwork and persistence. Team Celery placed first and Team Godzillas placed 4th. Congratulations to all participants, Mr Brock and Miss Liddell and thanks to the parents/carers for supporting this initiative.

Snow Sports Competition – Congratulations LPS

Atticus, Freya and Maddie competed in the NSW State ISSC (Interschools Snow Sports Competition) at Thredbo on Friday. They were in Male Division 4 Moguls event. Against some very strong competition they came a very commendable 7th in the Teams competition - just one place (and 2 points) short of progressing through to the National Competition (1st to 6th placing teams move through to Nationals). In the individual competition, Atticus placed 6th, Maddie placed 30th and Freya placed 41st (1st to 15th move through Nationals). Atticus being in the Top 15 will progress through to the Nationals competition.

Dogs in Schools

Whilst we all love our dogs, schools are not the place for them. *The Companion Animals Act 1998, provides that dogs are prohibited from school grounds whether they are leashed or unleashed.*

Please leave your dog tied to the fence when picking up your child and collect it on the way out. This way our students are protected and our school stays clean! Thank you for your cooperation.

Deputy Principals' Report

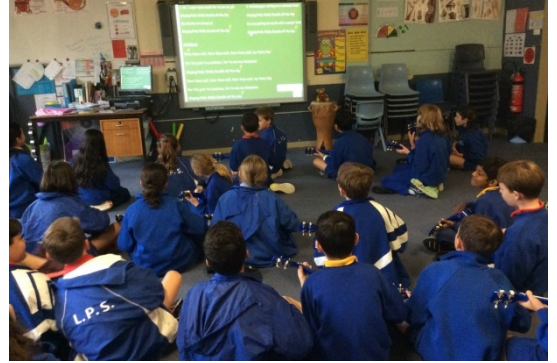

Happy Campers

Snow, snow and more snow! Our Year 6 students are enjoying some beautiful weather and great snowfall in Jindabyne this week. Many first time skiers are already experiencing success on the slopes. Last night they enjoyed a night of games and even celebrated a birthday. We look forward to having them return on Friday at approximately 3.30pm. Despite some students suffering from a stomach bug all are in high spirits. Thank you again to Mrs Cornell for her organisation of the camp.

Class Blogs

This week our specialist teachers; Mr Elsley, Mrs Burbage, Mrs Kroie, Miss Liddell, Ms Miggins, Mrs van Beek and Mr Brock will be sharing with us the engaging lessons they are providing in various grades. In PE Kindergarten students have been practising a range of skills in throwing, catching and dodging in a variety of activities. In Music, Year 4 has continued learning how to play 4 chords on their ukuleles. Log into your child's class blog to see more of the learning that is happening in our classrooms.

Stage 2 Maths Groups

On Fridays all Stage 2 students take part in Maths Problem Solving Groups with other students of the same ability. Years 3 and 4 students enjoy the opportunity to work with students from different classes. Here you can see students working in pairs and being challenged by wooden puzzles. Some were very tricky indeed!

Watch our students ROAR!

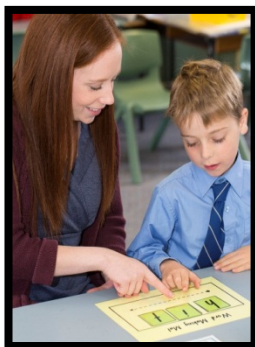

This week we are proud of the Years 3-6 students who are collecting compost for our gardens. Two new compost bins have been circulating the playgrounds as students eat their recess and lunch. Students are remembering to put their fruit and vegetable scraps into the bins. Well done also to Rebecca and Emily for being first to lines this morning. They displayed our ORGANISED expectation. Well done girls!

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2016, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Some ideas:

- Perhaps you could donate a short stay in your beach house, holiday house or a day on your boat?
- Tickets to sporting events, theatre, musicals or the opera?
- Vouchers to a cafe, restaurant or bar?
- Voucher for travel, retail stores or an experience?
- Do you provide services that you could donate such as a package for health and fitness, hair and beauty, garden design, photography or catering?

Canteen Ordering

In Term 4 the Canteen will be offering online ordering to families which will be running alongside our current manual ordering. It is each family's choice as to whether they put their order in manually to the canteen or order online.

Canteen Large Lunch Bags.

It is very difficult to fit more than a couple of things in the brown lunch bags when packing them. The canteen sells larger bags (\$4.50 for 50 or \$8.00 for 100) which are much easier to pack. This means your child's lunch gets to them safely and not squashed or lost. Bags can be picked up from the Canteen or write it on your next lunch order and they will be given to your child to bring home.

Thank you to everyone who is switching to the bigger lunch bags, it really makes a difference.

New to Swimming or Squads?

All new 'Learn to Swim' and squad students need to be graded before joining the program. The dates for grading can be found below. Please book in by emailing swimming@lpspandc.org.au your preferred date. Grading only takes a few minutes. All swimmers should wear swimming costumes, swim cap and goggles.
