Term 4 Week 1

17 October 2018

Principal's Message

Welcome Back

Welcome back to the last term for 2018! I trust that your holidays provided time to spend with family and friends. This term will see our Year 6 students finish their primary school education and our new Kindy students will get a taste of 'big school'. It will be a term of celebrating our achievements and planning for next year.

Disco Fever and Trivia Night

What a wonderful night we had on the last day of Term 3 as we danced the night away at the 'Emoji Disco'! Over 500 students attended and were supported by a team of teachers who had decorated

the hall and led the dancing. Our DJ for the night was DJ Teaj and he kept the students bopping all night with great songs and dance moves. The costumes were fantastic! Thanks to all the students for attending and to the teachers for giving up their night to supervise. Now it is your turn parents and carers to get 'disco fever'. I am looking forward to Saturday night when we will dress up in disco outfits and then get down to answering some serious trivia questions. The bidding for the class artworks has already commenced and the quality of the artwork is outstanding. I would be happy to hang any of the works in my house! Get bidding as they are simply priceless!

Grosvenor Rd Pedestrian Access Progress

Despite the rainy weather, the work on the Grosvenor Rd Pedestrian Access project has been progressing well and already the pathway is taking shape. The engraved pavers will be a feature of this pathway and soon our community will be enjoying a safe passage into the school.

Planning for 2019

Dear Parents and Carers

We are currently planning classes and staffing for 2019. In order to do this, we need to know who is not returning to our school next year and who will be returning late. If you are leaving Lindfield Public School and not returning in 2019 please complete the slip below.

Thank you for your prompt attention. Forms can be submitted to the office or placed in the Administration Box.

2019 Kindergarten Enrolments

Kindergarten enrolments for 2019 are now overdue. We ask that all parents who are intending to have their children enrolled for Kindergarten in 2019 please complete an enrolment form immediately for their child. Please see information later in the Lines regarding Orientation Day dates and times.

Zone of Origin

Last term, four students were asked to represent our school in the Zone of Origin. The Zone of Origin is a sports Gala Day where four zones from the Central Coast and Sydney areas come together to participate in soccer and touch football matches. Our Kuring-gai school zone came second overall in the competition. Well done to Lucas, Will, Samantha and Charlotte for their great sportsmanship and endurance playing four intensive games with all new team members... not an easy task!

Our Community Room becomes an Art Gallery!

From 3pm this afternoon, parents and students are invited to visit the LPS Art Gallery. Our Community Room will be open for students and parents to view art from 8:30am – 4pm until Friday. The artwork consists of our 33 pieces of art created by each class for our Trivia Night Art Auction. We are beyond impressed by the artwork created and welcome families and friends to purchase the art. More information is included further on in the P&C section of the lines. <https://www.32auctions.com/lps2018>

Growth Mindset

Students at Lindfield Public School have been learning about Growth Mindset this year. We have been very impressed with the way our students have been taking on feedback to improve, learning from mistakes, not being afraid to take risks with their learning and pursuing a task even when it is hard. We decided to brighten up the stairs leading up to our Library so that students have a constant reminder of how they can implement a Growth Mindset. Here is a picture of the first set of stairs. There are 18 messages in total.

Parent Information and Kindergarten Orientation Visits

Thursday 8 November and Thursday 15 November 2018 from 10:00am to 11:00am

Children visit Kindergarten classrooms and participate in various activities. Children have morning tea on our Camphor Laurel playground (**please supply morning tea for your child**).

K-6 BOOK CHARACTER PARADE

Wednesday 7 November 2018

9:00 am – 10:30 am

Dear Parents and Carers,

As part of our celebrations for Children's Book Week, Lindfield Public School will be holding its annual Book Character Parade on **Wednesday 7 November 2018**. The parade will take place near the pool area and start as soon as possible after 9am. Parents and Carers are welcome to attend and are asked to keep the path in front of the pool seats and the stage itself clear to allow room for the parade. All classes will take turns parading around the outside of the playground and across the stage, so there will be plenty of opportunities for photos!

Costumes do not need to be extravagant. If you are looking for inspiration, this year's Children's Book Week theme is 'Find Your Treasure'. If possible, bring the book along or print out the front cover! Any props such as baskets, wands, walking sticks, glasses are welcome during the parade. There are to be **NO toy weapons** (swords, Nerf guns, etc).

We are not requesting a gold coin donation.

The classroom teachers will be choosing the 'best dressed' student in their class for an award.

We hope you can join us for this enjoyable event!

Kind regards,

Renee Chapman and Ros Fuller

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2018, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reasons

Sydney Harbour Bridge, New South Wales

Dear Dad,

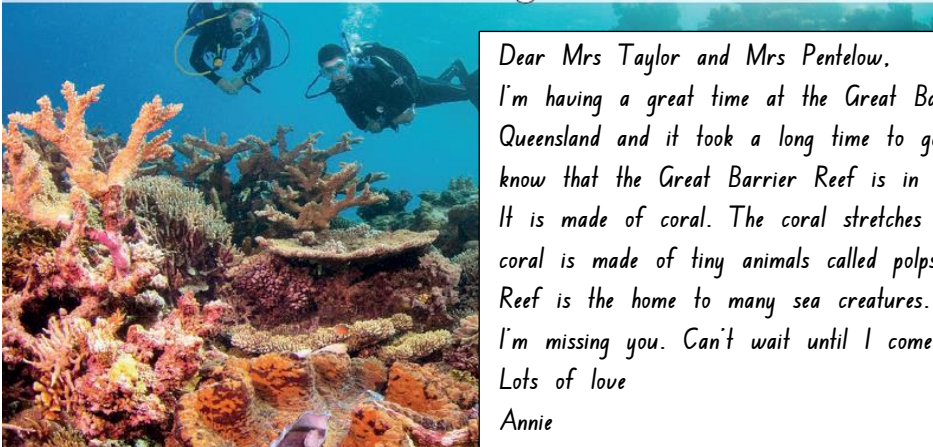

The Sydney Harbour Bridge is very large. It takes almost four hours to climb up and down it. Its nickname is the Coat Hanger because it looks like a coat hanger.

The Sydney Opera House is very colourful when Vivid is on.

Miss you.

Harry

Great Barrier Reef, Queensland

Dear Mrs Taylor and Mrs Pentelow,

I'm having a great time at the Great Barrier Reef. It is in Queensland and it took a long time to get here. Did you know that the Great Barrier Reef is in the sea of Australia? It is made of coral. The coral stretches for 2000 km. The coral is made of tiny animals called polps. The Great Barrier Reef is the home to many sea creatures.

I'm missing you. Can't wait until I come back.

Lots of love

Annie

Uluru, Northern Territory

Dear Adi,

I am having lots of fun in Uluru. It is burning hot. Do you want to visit?

It's going to be lots of fun.

You have to take a plane to get to the Northern Territory.

The smarter way for students to travel to and from school.

Visit transportnsw.info/school-students

Transport

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at transportnsw.info/school-students

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Students progressing to year 3 and year 7 **do not** need to re-apply **if** they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted **before 31 December 2018** to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

Canteen

Welcome back to Term 4! We are all super excited to get straight back into the swing of things, preparing lunches for all our hungry and energetic children!

Summer Menu

We have updated our menu to feature some more summer friendly items, streamlined some less popular menu items and adjusted some prices to more accurately reflect our costs.

Our aim in the Canteen is to offer a community based, healthy service and we welcome any feedback or suggestions that our fabulous LPS community may have. Please feel free to pop in and see us any time, or you can email us with your ideas at canteen@lpspandc.org.au

Birthday Buckets

As the weather heats up (we hope!), remember we offer a 'Birthday Bucket' that can be ordered from us to celebrate your son's or daughter's special day. The bucket contains a 100% fruit juice ice pole for every child in the class, an extra special treat for the Birthday boy or girl, a birthday hat, balloons – and lots of fuss! We just love seeing all the happy faces when the children come to pick up their special birthday treat. Only \$30 per bucket, these can be ordered on Flexischools.

Raising Your Child in a Digital World

WITH
Dr Kristy
GOODWIN

Dr Kristy Goodwin translates the latest research about how technology is shaping childhood into essential information and realistic advice for parents.... and no she won't suggest that you ban the iPad, or unplug the TV!

Parents will understand the latest risks to kids' online safety and digital wellbeing (including why kids have become obsessed with Fortnite, the current cyber-safety risks for primary students, how to prevent and deal with cyber-bullying, screen 'addiction' concerns and exposure to pornography) as well as the health and learning implications of young kids growing up in a world of screens. Kristy will share her simple formula to calculate healthy screen-time limits, will arm parents with a host of strategies and ideas to prevent techno-tantrums and will discuss whether we should use screen-time as a reward or punishment tool.

Ditch the guilt & guesswork. You'll leave being able to make informed decisions about how to best manage screen-time at home, so that it doesn't *always* end in 'scream time'.

Casual Work

School Crossing Supervisors – Work with your community 1 x Casual position – Ku-Ring-Gai Local Government Area (00006J2K)

An important person in a child's school life is the School Crossing Supervisor, who ensures they cross the road safely. The role requires minimal hours out of your day and gives something worthwhile back to the community.

The hours are usually 8.00am to 9.30am and/or 2.30pm to 4.00pm Monday to Friday during school terms. You would be required to work a minimum of one, one hour shift as and when required. The base rate is \$27.62 per hour.

All the qualifications you need are community spirit, good communication skills, an alert and professional attitude to work and a reliable personality. The casual hours and school holidays would suit a parent or grandparent, a retiree or anyone wanting meaningful work — but not full-time.

Training for your key responsibilities of directing traffic to stop at the designated crossing and giving clear instructions to infants and primary school students to cross the road safely, will be provided. You may be required to attend a health assessment. Appointment is subject to a Working with Children Check clearance.
