Principal's Message

Our new Mural

Our resident artist Robin Martin has once again impressed us all with his wonderful artwork welcoming everyone to Lindfield PS. The mural can be found on the Pool Playground. It has been funded using money raised at our 2017 LPS Dance-A-Thon.

Thank you for your support in 2018

Yesterday we acknowledged our many volunteers who support our school in various ways. We thanked the Scripture and Ethics teachers, classroom helpers and our P&C volunteers who help out in a range of activities such as Canteen, Clothing Pool, Music program, fundraising and swimming. Our school is a richer community because of your support- so thank you so much!

Quality Teaching Rounds

Congratulations to our five teachers who have successfully completed the valuable professional learning program 'Quality Teaching Rounds'. This is part of a Killara Schools Partnership initiative where teachers are grouped into fours, teach a lesson and then provide feedback to each other about how well they have incorporated the Quality Teaching Framework. This program has been running in our school for several years and this year we congratulate Miss Rampe, Mrs Rivera, Miss Sorrell, Mrs McWhinney and Mrs Nelson on their participation. It is already impacting their classroom practice.

Student Leadership Speeches

Over the past two days, our Year 5 candidates for the 2019 Student Leadership Team have presented speeches to Years 3-6 outlining what leadership means to them. All spoke with passion and confidence and deserve to be congratulated on their fine speeches. Students will now vote for their preferred candidates and the results will be announced in the coming weeks.

Grosvenor Rd Pedestrian Access Project

The project is nearly completed! The fence is in, the pavers are laid and now we are up to landscaping. Our safe pedestrian access on Grosvenor Rd is progressing very nicely and soon we will be able to enjoy this attractive new pathway into our school.

Year 2 Mathematics Enrichment

On Thursday 8 November at Killara High School, the Mathematics department hosted a Mathematics program for Year 2 students about Fractals. Mrs Nath, Mr Yeo and Ms Wong developed this program for the students of Roseville, Lindfield, Beaumont Road and Gordon East Public Schools. To help run the activities, six Year 10 students Amy Whalland, Amelia Thorne, Yoanna Kim, George Lennon, Edward Tulip and Rana Alva volunteered.

The Year 2 students participated in two different activities involving simple and complex shapes. In the first activity students made their own fractal patterns by constructing Sierpinski triangles which were later combined to create a larger scale design. In the second activity, the students assembled fractal tetrahedrons using toothpicks and marshmallows. The students were proud of the structures and designs they created and were excited to take them home.

End of Term 4

Students' final day for 2018 will be Wednesday 19 December. Traditionally, this is followed by two professional learning days for teachers. This year, teachers will complete professional learning on Thursday 20 December but as they will have completed two twilight sessions of professional learning in second semester, will not need to attend school on Friday 21 December.

Planning for 2019

Dear Parents and Carers

We are currently planning classes and staffing for 2019. In order to do this, we need to know who is not returning to our school next year and who will be returning late. Thanks to those parents/carers who have already responded to the newsletter request and returned your slip. You do not need to send another form.

If you are leaving Lindfield Public School and not returning in 2019 and have not yet returned a form, please complete the slip below.

If you will be returning later than the first day of school, which is Wednesday 30 January 2019, please complete the 'Late Return' slip. If you will be returning to school later than 12 February 2019, you will also need to apply for Extended Leave. The Extended Leave form is available from the office and the school website under 'Notes'.

Thank you for your prompt attention. Forms can be submitted to the office or placed in the Administration Box.

Deputy Principals' Report

3B Assembly, 5R Writing and Two Pride Pins

Our assembly this week was full of impressive achievements. 3B delivered a gymnastic performance demonstrating all they have learnt in PE this term. All students were very flexible and worked well as a team. 5R shared some of their outstanding descriptive writing, which you can see further on in this addition of the Lines. To top it all off, we congratulated two Year 6 girls, Tazmin B (6D) and Ella W (6N), on achieving their Lindfield Pride Pin. Both these girls are extremely deserving and have set a wonderful example to their younger peers.

Remembrance Day Service at Roseville RSL

Thank you to Isaac S, Luke E, Charlea M and Tahlia L, our Year 6 leaders, who represented our school at the Roseville RSL on Remembrance Day. They laid poppies and were given special books to remember the occasion.

Kindergarten Orientation

It was lovely to see all of our new Kindergarten students at our second Kindergarten Orientation session last week. They really enjoyed their time at big school. Their parents/carers also learnt a lot about our school and we thank all of the speakers who presented in the hall for their informative presentations.

Seeking Ethics Teachers for 2019

Lindfield Public School **urgently** needs new volunteer Ethics teachers. Without new volunteer teachers, LPS will not be able to provide classes to all children who have nominated to do Ethics instead of Scripture or non-Scripture. Ethics teachers need to:

Be comfortable working with, and be able to engage, with children

Have an interest in helping children think about ethics using the Primary Ethics curriculum

Have an open-minded, inquiring outlook

Have excellent communication skills

Be available to teach a class on Tuesday mornings at 10:30 – 11am.

Training is provided.

For more information about the role, please go to <http://www.primaryethics.com.au/ethicsteacher.html>

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2018, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

**Please note, no students are allowed to bring
glass bottles to school for safety reasons**

Student Writing Samples

Please enjoy some writing samples from our wonderful students in 5R who have been using the 'Seven Steps to Writing Success' program.

My Nature

Tumbling, trembling trees tickle my tongue.
The boring, bland dirt reeks of Bunnings.
The ancient sticks are an old man's limbs.
The tree's bark is as gnarled as a tortoise's shell.

I stroke the slender spine of a skeletal leaf.
I catch a sour whiff of the lemony leaves
The cool winter wind whips up
tiny tornadoes.
I live for nature.

By Sophie H

The Lone Leaf

One insubstantial leaf falling like a feather
Slamming into the soft, delicate soil.
Lying there under the tree it belongs,
Unable to move.
Watching its comrades grow old and fall.
Helplessly lying there for all of time
Stuck

Cemented to the ground.

By Jackson P

Enchanted Tree

The soft splintering bark under my fingers
soggy and squishy
almost like a sponge.
I gingerly brush my fingers
over the soft piece of bark
scratch, scratch.

Just like the tree
at my grandparents place,
it has missing bits of bark.

But that's OK
no-one's perfect.

By Charlie M

Hiding Away

1, 2, 3, 4!

Crunch! I stepped on delicate branches
looking for a hiding spot.
'Quick, come hide here!' the bush whispered.
This spot is as brilliant
as hiding on a building's rooftop.

The trees rustled loudly
overpowering my slight noises.
Ow! Ouch! The pointy tips of twigs poke me!
I won't whisper or whistle.
Why?

I'm a winner.

By Jasper S

The Luxurious Nature

Twisting, twirling
The lush luxurious
leaf leaping off the emerald trees
lurking the land.

Swishing and swirling
The steady silent wind
blowing balloons
away

By Zak R

The Theory of Nature

The lush green grass swaying in the thin breeze.
Craving to be the most immense.
As I peel the rough back off the stick
The soft interior makes my fingers feel like
They're in a rain forest.
The scent of eucalyptus
As I tear and crunch my leaf
Out of its misery.

By Zac C

The Jade Leaf

Growing from the earth into
A majestic tree.
Soft one way,
Spikey the other.
Eccentric patterns etched in
Alive.

Stings to touch
But soothes the soul
My emerald leaf
is like a human
Not sure on the outside
but beautiful on the inside
This is one of the tiny items
of nature.

By Claire B

The Great Oak Tree

Lush green great gargantuan trees.
Floral flowers growing on gnarled branches.
Overrun by Bees
The ogre of a tree.
Overgrown by vines.
Children climbing with scabbed knees.
Woo hoo, yeah!
This is the great oak tree!

School Student OPAL Applications for 2019 are now open

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at transportnsw.info/school-students

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Students progressing to year 3 and year 7 **do not** need to re-apply **if** they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to

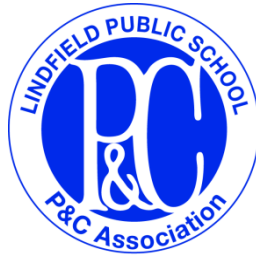

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted **before 31 December 2018** to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued. Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

For further information visit <https://apps.transport.nsw.gov.au/ssts>

How does it work? A team of swimmers complete as many laps of the pool as they can in 40 minutes. There is no minimum or maximum number of laps that each team member may swim.

Who can be in my team? Anybody! A team has a maximum of 5 members and can be your friends, mum, dad, grandparents, aunt, uncle, siblings...

Do I need to be a good swimmer? No! We've had young ones on noodles, fabulous grandparents and everyone in-between. It's about having fun with friends and family and raising much needed funds for our school pool.
