Principal's Message

Grosvenor Rd Pedestrian Access Project is complete!

Last week, the long awaited Grosvenor Rd Pedestrian Access Project was completed. It is an attractive addition to our school and allows students a safe passage into the school. The engraved pavers were commissioned a few years ago so it is very pleasing to see them laid at last. This major capital improvement was funded through a State Government Grant from 2013, P&C funds and the engraved paver fundraising effort. Thank you to everyone who contributed to this project and special thanks to Sarah Robinson, Tina Cabella and Bill Steenson for their support in bringing this project to completion.

Congratulations Mrs Pentelow and Mrs Taylor!

This year, Mrs Pentelow and Mrs Taylor celebrate 20 years of team teaching together at Lindfield PS. They were one of the first group of teachers to trial this initiative when they both had young children and have kept up the tradition ever since. They make a dynamic teaching team and we look forward to them continuing for many more years together!

Dear Parents and Carers

We are currently planning classes and staffing for 2019. In order to do this, we need to know who is not returning to our school next year and who will be returning late. Thanks to those parents/carers who have already responded to the newsletter request and returned your slip. You do not need to send another form.

If you are leaving Lindfield Public School and not returning in 2019 and have not yet returned a form, please complete the slip below.

If you will be returning later than the first day of school, which is Wednesday 30 January 2019, please complete the 'Late Return' slip. If you will be returning to school later than 12 February 2019, you will also need to apply for Extended Leave. The Extended Leave form is available from the office and the school website under 'Notes'.

Thank you for your prompt attention. Forms can be submitted to the office or placed in the Administration Box.

Chess Tournament

Congratulations to our chess players who competed in the North Shore Primary Schools One-Day Chess Team Tournament at Castle Cove Public School last week. A special mention goes to Asher C, Matthew X and Trent S, who came second overall. Thank you to Mr Eric Tse for organising the event, to parents who drove and to Mrs Sian who supervised on the day.

Life Education Van

This term we have Healthy Harold and Libby from Life Education visiting us again. Students will spend a session in the van learning the tools they need to make well informed and educated decisions about leading a healthy and safe life.

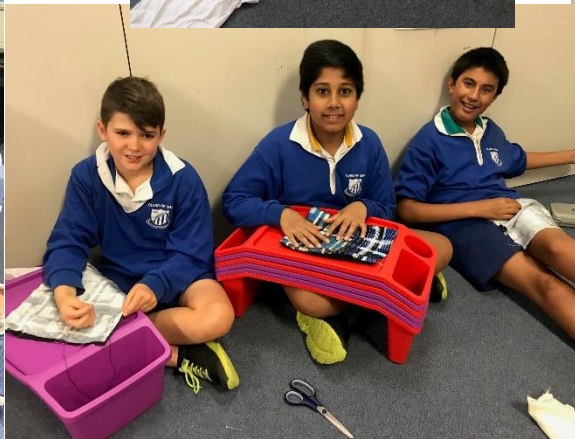

Swimming Finishes Next Week

Next week will be the last week of class swimming. We want to thank Oleg and Larissa for all their hard work with getting our students excited and involved in swimming lessons. All Years 1-6 students have progressed remarkably throughout the year. Our students are so lucky to have this unique opportunity to do swimming lessons in their very own school pool! Thank you to all the amazing class parents and class helpers who have volunteered their time to help with this program.

Enrichment Groups

Years 5 and 6 students have been involved in Enrichment Groups this term to help students with high school transition. Students were fortunate to take part in a range of activities such as 3D printing, drama, coding, History, sewing, screen printing and High School Science. Thank you to the dedicated teachers for providing these engaging lessons for our students. Photos of these activities can be found further on in our Lines.

PSSA and Rec Sport

This week is the last week of PSSA and Recreational Sport for the year, therefore training will also finish this week. Thank you to our PSSA teachers, Mr Elsley, Mr Katrak, Miss Sweeney, Mr Smith, Mr Gortley and Miss Nero, for their hard work coaching our teams.

New Colourful Signage Around Our School

When you now walk onto Pool Playground, you will see brightly coloured banners displaying our house names. Some pencils show our ROAR expectations and directional signs on both entrances of the school will direct visitors to the correct spot. New anti-bullying signs and playground signs will remind students of our lunchtime expectations and our Acknowledgement of Country is now displayed at the front of our hall. The signage has been funded using money raised at our 2017 LPS Dance-A-Thon.

City Country Alliance Leadership Summit 2018

Last week, our four school captains, vice-captains (Sam, Jack, Skye and Charlotte) and Mr Katrak took part in a three day camp with student leaders from many different schools around NSW. They participated in a number of fascinating inter-cultural activities and heard from many types of inspiring speakers. It was great to see our leaders empathetically learning about different cultures and making friendships with students from different parts of the state. Below are some student reflections of the camp.

Dean Kelly

Dean Kelly is an extremely inspirational Aboriginal. I enjoyed listening to the old Aboriginal cultures and way to do things. He also helped me to understand the importance of the environment.

Jamie Henshall

Jamie is an amazing chef, artist and food vlogger. He was the chef of the month in 2016. Jamie has a very interesting and exceptional story about finding his family in Bangladesh.

GWS headquarters

GWS headquarters was a great way to see where the Greater Western Sydney Giants AFL team train, what they do to stay healthy and their schedule. I could tell that the players were very committed to their training and their sport.

Charlotte C

I really enjoyed the City Country Alliance Leadership Summit because it taught me to connect and meet with people from different schools and cultures and all the different stories that we heard throughout the camp.

William Barton

William Barton is an indigenous Australian composer, singer and didgeridoo player. He has travelled all over the world playing his music and he is proud of his accomplishments. He learnt about music and the didgeridoo from his Aboriginal elders. He now has many songs and albums and is still writing more.

Lorin Nicholson

Lorin Nicholson is a 97% blind man who can achieve so much, even with a disability. Lorin has a book about his triumphs and fears and how he got over them. Lorin spoke to us about bullying and the way that he was treated and how we as leaders need to find the people in those situations and help them.

Greenacre Public School

Greenacre Public School is a K-6 school located in western Sydney. At their school they have a large variety of different cultures. To celebrate these cultures they have a school international day where the children and parents come together and celebrate by sharing different types of cultural dances and at the end have a large fair. I found it very interesting to see all the different types of dance and culture. The Leadership Summit was an amazing mix of speakers and visits to really interesting places.

Skye B

Rob Stokes

Rob Stokes, the Minister for Education, gave a really interesting talk about diversity in education and how 'Excellence is not an act, but a habit.' We learnt what he does as the Minister and how he supports education and believes children are the future leaders. Mr Stokes' speech made me think about what I can do everyday to be a better person and role model.

Baha'i Temple and Lakemba Mosque

As a part of learning about cultural diversity, we made two fascinating visits to the Baha'i Temple in Mona Vale and the Lakemba Mosque. At the Baha'i Temple we learnt there is no one Priest, anyone can stand up and say a prayer at the front of the temple. The religion is about mixing the thoughts and beliefs of every religion together to create peace in the world. We learnt about the Muslim religion at the Lakemba Mosque and the cultural things they do such as praying five times a day and celebrating Ramadan each year. It was really fascinating to learn about all the different things they do as a part of Muslim beliefs and traditions.

Jack G

Team building challenges

In the team building challenges we were split up into groups and went to do different team building challenges. The challenges were the matrix ropes, rope cube, tyre climbing and the river of lava. This required problem solving and new solutions to get through.

Manly Quarantine Station

The Quarantine Station was learning about how they kept diseases out of the country. We did some detective work looking through some suitcases that had been from the early days.

Dinner at Wiley Park Girls High School

When we arrived, we were greeted by some of the students from the school. We entered the dinner area where we watched different cultural dances. We also heard people from the Muslim and Jewish faith speaking about how everyone should be proud of their culture. We then had a Lebanese dinner that was delicious! The camp was a wonderful experience that I will never regret going to.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2018, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- If possible, choose alternative sandwich spreads to peanut butter and Nutella. If you have no alternative, inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reasons

Please enjoy some writing samples from our wonderful students in 1C who have been using the 'Seven Steps to Writing Success' program.

School Student OPAL Applications for 2019 are now open

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at transportnsw.info/school-students

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Students progressing to year 3 and year 7 **do not** need to re-apply **if** they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted **before 31 December 2018** to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued. Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

For further information visit <https://apps.transport.nsw.gov.au/ssts>

Transport for NSW

Music Spectacular - 30 November 2018

Kerrabee Hall, Killara High School, Killara

Are you 'Concert Ready'?

The students from the Strings and Band Programs have been working very hard to prepare for the Music Spectacular on the 30 November. They have been practising their pieces with their tutors and rehearsing with their conductors to be 'concert ready'.

But what about everyone else? **ARE YOU 'CONCERT READY'?** Have you taken the time to speak to your performing children and their siblings about concert etiquette?

Concert Etiquette:

- We ask that everyone remains seated while a band or an ensemble is playing.
- All children are to stay with their parents unless they are with their music group (backstage, on stage or waiting to go on stage).
- No children are allowed to play outside unsupervised.
- Doors to the foyer will remain closed during a performance. So if you leave to go the bathroom you will be asked to wait outside until the current item is finished.

Photos and recording:

We understand that you would like to record this wonderful evening and your child's performance. But please be mindful of the people seated behind you. No recording/photograph with the camera or phone held up above you.

Social media:

We ask that recording and photos are only posted on social media if you have the permission from the parent of every child in the photo/video. Please do not post photos/videos of whole bands or ensembles. Please respect a parent's decision not to have their child image posted on social media.

Parent helpers:

Please sign up below if you can help on the night:

- BBQ from 5pm

Want to help make a difference with our wonderful Band Program?

2019 promises to be an even better year for our Band Program! If you want to help be a part of this and contribute to its success, ***please*** consider applying for the positions vacant on the Band Committee next year:

- **Treasurer**
- **Instrument Coordinator Assistant (ICA).** The ICA role will involve shadowing our current Instrument Coordinator for the next 12 months with a view to then taking on that role in 2020. This does not require any previous experience and is an excellent opportunity to contribute to the Band Program whilst receiving hands-on training and support from our current Instrument Coordinator who will be leaving LPS at the end of next year.

Our amazing program cannot exist without the help and support of parents - if you think you can contribute in either of these positions, please contact us on the Co-Convenors' email on the next page to discuss what the roles entail - all expressions of interest are very warmly welcomed!

Final Orchestra rehearsal and fees are overdue!

A reminder that a final Orchestra rehearsal will be held at lunch time **Thursday from 1:10pm**. Could all members please bring their instrument, music and lunch to the Hall as soon as the bell goes.

We would greatly appreciate any parent volunteers who can help set up the Hall from 1:00pm to ensure that the children get every possible minute to rehearse before the big performance on Friday night.

Thank you to the families who have paid their Orchestra fees. A friendly reminder that these fees are now overdue and prompt payment via the P&C website would be very appreciated.

Chess

Last Wednesday Chess Club sent 30 of our best and fairest to Castle Cove PS to participate in the NSW Junior Chess Leagues One Day playoffs, for the right to enter the State Final.

We would like to thank Miss Mustaca for all her support for this event and Mrs Sian for generously spending her day supervising the students. We would also like to thank all the parents who helped with driving and some who also stayed for the day.

There were 46 teams from 7 schools and it is a reflection of how strong Lindfield PS is in chess that almost all our teams finished in the top half of the field.

Lindfield A (Asher, Matthew, Trent) scored 18 wins out of 21 for 2nd place (narrowly edged out by Neutral Bay PS.)

Lindfield B (Nathan, Boris, Max) scored 13 wins for 9th place.

Lindfield C (Kiran, Hari, Sid) scored 13.5 wins for 8th place.

Lindfield D (Griffin, Will, Caleb) scored 9.5 wins for 26th place.

Lindfield E (Vincent, Justin, Kostya) scored 8.5 wins for 35th place.

Lindfield F (Emily, Wansi, Consuela, Veronica) scored 10 wins for 22nd place.

Lindfield G (Nick, Charles, Joon) scored 10.5 wins for 20th place.

Lindfield H (Frank, Nick, sub) scored 10 wins for 24th place.

Lindfield I (Marcus, Jun, Alex) scored 12.5 wins for 13th place.

Lindfield J (Wyatt, Brendon, Jayden) scored 11 wins for 17th place.

Well done to all the students who took part!

The State Final was played last weekend as well, and we will report on that next week. We did very well indeed!
