Principal's Message

Happy Mother's Day

I am looking forward to sharing breakfast with our mums and their children this Friday at the Mother's Day Breakfast. There will be great food and games as well as a wonderful community atmosphere.

Thanks to the hardworking committee led by Julia Mullen and Sam Sachs for organising this event.

Happy Mother's Day to all our mums for Sunday – I hope that you get spoilt!

Michael Carr-Gregg Parent Information Free Session 29 May at Killara High School Hall from 6:30 – 8pm.

The Killara Schools Partnership has been fortunate to secure the services of renown psychologist Michael Carr-Gregg to share latest research and tips about how parents can help their children navigate through social networking, cyberbullying, internet addiction, online gaming and software filtering issues. I highly recommend this evening. See the flyer in this week's Lines for more information.

'Earn and Learn' – Collect your stickers now!

Lindfield PS will be participating in the 'Earn and Learn' program through Woolworths. It runs from 1 May to 25 June. We have a collection box at Gordon Woolworths and in our office foyer. All stickers collected count towards learning resources equipment and educational products for our school.

Year 3 Creative Writing Enrichment

On Monday 8 April, Year 3 students from KSP primary schools Lindfield, Roseville and Killara Public Schools, attended Killara High School as part of a Creative Writing Workshop. This workshop was facilitated and designed by Year 7 and 8 students from Killara High School. Their recent studies of English positioned them to offer great insight, running a series of activities to help their primary peers improve the quality of their imaginative composition.

Year 3 KSP students were exposed to a variety of stimuli designed to prompt deep consideration of the ways that the appropriate selection of adjectives can result in original and evocative sensory imagery for the reader. The primary students designed descriptions in response to a series of soundscapes, considering the use of onomatopoeia and other techniques that build auditory imagery. Students also built setting through their descriptions of tubs of tactile stimuli like sand, leaves, lentils, water and ribbon. Later, a collection of different scents prompted students to extend their vocabulary to build olfactory imagery. Other students were excited to be sequestered off into a darkened viewing area to watch a series of slow motion videos where new vocabulary and techniques such as simile and metaphor were presented to continue to develop the capacity to build evocative description. Finally, Year 3 groups explored the range of words available to describe gustatory imagery; lollies and chips were the tasty and popular stimuli used to further precipitate description in relation to taste.

Killara High School sends its sincere thanks to the attending students from KSP primary schools. The sessions provided a meaningful opportunity for Year 7 and 8 to cement their skills and transfer their knowledge to their valued younger peers.

Girls Winter Uniform Option – grey pants from Term 2

Following very positive feedback, the girls will be offered the choice of the winter tunic or long grey pants as part of the winter school uniform. The cost will be \$42. Samples are available to try on in the Clothing Pool and our first shipment is due in the next week. I can't wait to see our girls taking up this option if they wish.

Cross Country

The Years 3 – 6 Cross Country Carnival will take place tomorrow Thursday 9 May. The carnival will be held at Edenborough Park. Years 3 – 6 students (and talented runners in Year 2 who turn 8 this year) will be participating. Parents/carers are welcome to attend. Permission notes were sent out last week so please ensure all notes are returned as soon as possible. Thank you to Mr Elsley for his organisation of this event. Children need to bring the following to Cross Country.

- Hat
- Full Drink Bottle
- Jumper
- Day backpack
- Something to sit on (eg towel)
- Asthma Puffer
- Sports Uniform

Mother's Day Breakfast and PSSA Training

This Friday morning the Hall will be full of Mums and their children having breakfast. At 7:30am the Mother's Day Breakfast will begin and mums and children will also have the opportunity to take part in some games and buy some gifts at the stalls. We will be entertained by our Junior Band and Bach Ensemble. Thank you to Julia Mullen and Sam Sachs, and their team of helpers for their outstanding organisation of the event. Students are reminded to bring gold coins to school to join in the games and either \$5 or \$10 to buy a gift for mum. Wristbands will be sent home this week to indicate ticket purchases for the breakfast. We ask that you hand these in to collect the breakfast so do NOT put them on your child's wrist. PSSA training is cancelled on Friday due to the breakfast but PSSA games will continue as scheduled.

NAPLAN Online

NAPLAN Online will take place for students in Years 3 and Year 5 from Tuesday 14 May – Friday 24 May. For more information please see the links below. Different classes will complete the online tests on different days as we need to timetable classes across both computer rooms. It is very important that students arrive at school before 9:00am as tests will begin at 9:00am sharp. Students are also asked to bring headphones to school to use during the tests, as some parts of the tests are read to them. A healthy breakfast and good night's sleep will help prepare your child for NAPLAN. We encourage them to do their best and not to get anxious. We wish them well.

Walk Safely to School Day @ Lindfield PS

This year, National Walk Safely to School Day is on Friday 17 May 2019. Now it is in its 20th year, the annual campaign and community event encourages all primary school children, their parents and carers to walk and commute regularly and safely to school.

Some of the objectives of National Walk Safely to School Day are:

- To encourage parents and carers to walk to school
- To promote the health benefits of walking and create regular walking habits
- To help children develop road awareness and vital road crossing skills.
- To reduce car dependency and traffic congestion
- To reduce the level of air pollution created by motor vehicles
- To promote the use of public transport

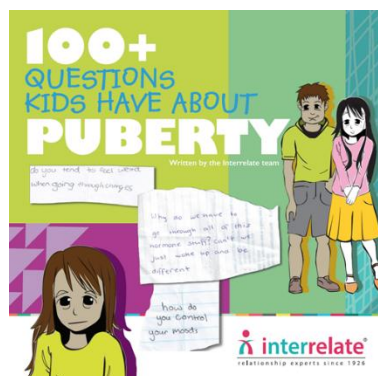

On Friday 17 May, we would encourage all students to walk to school. Get together with your friends and make sure you make it safely to school. Ask Mum or Dad to leave the car at home for the day and enjoy the walk to school together as a family!

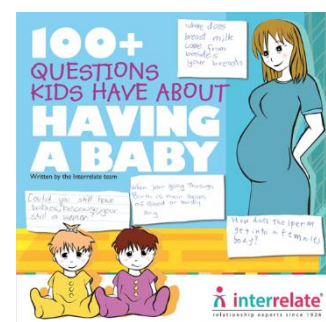

Winter Uniforms

Students currently have the option to wear either their summer or winter uniform. They must wear either their full summer or winter uniform and not a combination of both. From next Monday, students are to wear their full winter uniform. Please remember that the uniform shop sells the school's winter sport uniform which consists of long pants for girls and boys.

Interrelate Family Evening Programs - Save the Date

The 'Interrelate Family Program' will be held on Thursday 6 June in the evening. This is a valuable program and we encourage all Years 3 – 6 students to attend. Session 1 called 'Where Did I Come From?' will commence at 6pm and Session 2, 'Preparing for Puberty' will commence at 7:15pm. The program is designed to be presented in its entirety as the content from 'Where Did I Come From?' builds the foundation for 'Preparing for Puberty'. Therefore, Years 5 and 6 students may also like to attend the 6.00 pm session. A note

with more information about methods of payment will be sent out closer to the date.

Parent Teacher Interviews

This week all the teachers have been busy with Parent Teacher Interviews. We would like to thank all staff for their professionalism and the time that they have spent in the past few weeks preparing and organising for these most important interviews with our parents and carers. We hope that parents now have a better understanding of where their children are placed on their learning journey.

3-6 Assembly Time with 5K

At assembly this week 5K taught us all about biomes. There are five biomes: tundra; desert; aquatic; grassland and forest. In the desert, it is hot and dry during the day but cold in the evening and night. Some of the animals and plants are camels and cacti. Forests are often very humid and wet. One fun fact is that: 50% of the world's animals live in the tropical forest biome. In the tundra it is extremely dry and this makes it difficult for plants and animals to live. One famous tundra is in the Arctic Circle. Another tundra, much closer to home is the continent of Antarctica. The aquatic biome is in the ocean and holds many species of marine life. The grassland biome has moderate annual rainfall. Lions and zebras live in this biome. A large majority of the grassland biome is located on the African continent.

The artwork that they are holding are their examples of biomes. They were tasked with choosing a biome and painting their favourite. They needed to include a plant and animal that lived in their chosen biome. Thank you to 5K for sharing your fabulous work with us!

Kindergarten 2020 Enrolments

We are now accepting Kindergarten 2020 enrolments. Please visit our front office to begin filling out enrolment papers. We are very much looking forward to welcoming new students and parents to our school in 2020.

Fruit Break for All Students

Fruit Break is important for all students from Kindy to Year 6. Students enjoy eating a piece of fruit or some vegetables in the classroom. At around 10am students will munch on some brain food while they continue working. Small cut up pieces of fruit or vegetables in a container are easy to eat while working!

Leadership Camp 2019

The Ryde PPC Leadership Camp was a highly enjoyable and informative camp. Over the two day camp we participated in many fun activities and needed to work as part of a larger team to overcome difficult challenges. Each activity was based on a certain leadership skill such as collaboration, courage, communication, empathy and commitment. Many people presented at the camp and spoke about their experiences in leadership. We each had the opportunity to meet new friends from different schools which we thoroughly enjoyed. After this experience we look forward to leading our school into the future.

NAPLAN Online – information for parents and carers

2019

Why do students do NAPLAN?

The National Assessment Program – Literacy and Numeracy (NAPLAN) assesses literacy and numeracy skills that are essential for every child to progress through school and life. Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

The assessment provides parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN is just one aspect of a school's assessment and reporting process - it does not replace ongoing assessments made by teachers about student performance.

NAPLAN also provides schools, education authorities and governments with information about how education programs are working and whether young Australians are meeting important educational outcomes in literacy and numeracy.

What is assessed?

NAPLAN assesses literacy and numeracy skills that students are learning through their regular school curriculum. All government and non-government education authorities have contributed to the development of NAPLAN materials.

In 2019 most students across Australia will sit NAPLAN online.

Feedback in the first year of NAPLAN Online showed that students engaged well with online assessments. One of the main benefits of NAPLAN Online is tailored (or adaptive) testing, where the test automatically adapts to a student's test performance. The test presents questions of higher or lower complexity, depending on a student's performance.

Tailored (or adaptive) testing is designed to assess a wider range of student abilities and to measure student achievement more precisely. Your child should not be concerned if they find questions more challenging than usual; they may be taking a more complex test pathway. A student's overall NAPLAN score is based on the number and complexity of questions they answer correctly.

NAPLAN Online is not a test of keyboard skills.

There are variations in how fast and well a student can type – just as there are variations in how fast and well a student can write by hand. Year 3 students will complete the writing test on paper.

To get an idea of what the online assessment looks like, visit the public demonstration site at nap.edu.au

How can I help my child prepare?

Help your child prepare by reassuring them that NAPLAN is just one part of their school program, and by reminding them on the day to simply try their best. Teachers will ensure students are familiar with the types of questions in the tests and will provide appropriate support and guidance. Ensuring students are familiar with using devices, typing on them and navigating through programs are a part of student learning and a requirement of the Australian Curriculum from the first year at school.

ACARA does not recommend excessive preparation for NAPLAN or the use of coaching providers. NAPLAN is about assessing learning progress in literacy and numeracy.

Will my child sit NAPLAN on paper or online?

In 2019, your child will sit the NAPLAN online tests. However, children in some other schools across Australia will sit the NAPLAN paper tests this year. Federal, state and territory education ministers have agreed that all schools will move online by 2020. State and territory education authorities will determine when their schools move online.

As students are assessed on the same literacy and numeracy curriculum content, regardless of whether they complete the test online or on paper, results for both formats can be reported on the same NAPLAN assessment scale. To find out more about NAPLAN Online, visit nap.edu.au

Participation in NAPLAN

All students in Years 3, 5, 7 and 9 are expected to participate in the annual NAPLAN assessment.

Students with disability may qualify for adjustments that reflect the support normally provided for classroom assessments. You should first discuss the use of any disability adjustments for your child with your child's teacher.

A formal exemption may be granted for a student with disability that severely limits their capacity to participate in the assessment, or for a student who has recently arrived in Australia and has a non-English speaking background.

Your school principal and your local test administration authority can give you more information on NAPLAN Online disability adjustments or the process required to gain a formal exemption.

NAPLAN Online 2019 timetable

The assessment window for NAPLAN Online is extended from three days provided for the paper test to nine days. This is to give schools more flexibility in scheduling and accommodate schools that may have fewer devices. The NAPLAN Online assessment window starts on Tuesday 14 May and finishes on Friday 24 May 2019.

The online tests must be taken in the following order:

Test	Duration	Order	Details
Writing	Year 3: 40 min. Year 5: 40 min. Year 7: 40 min. Year 9: 40 min.	To be completed in the first two days	Year 3 students do a paper-based writing test on day one only
Reading	Year 3: 45 min. Year 5: 50 min. Year 7: 65 min. Year 9: 65 min.	To be completed after the writing test	Students read a range of informative, imaginative and persuasive texts
Conventions of language	Year 3: 45 min. Year 5: 45 min. Year 7: 45 min. Year 9: 45 min.	To be completed after the reading test	This test includes spelling, grammar and punctuation
Numeracy	Year 3: 45 min. Year 5: 50 min. Year 7: 65 min. Year 9: 65 min.	To be completed after the conventions of language test	This test includes number and algebra; measurement and geometry; and statistics and probability

What if my child is absent from school on assessment days?

Where possible, schools may arrange for individual students who are absent at the time of testing to complete missed tests at another time during the school's test schedule. Individual students are not permitted to sit NAPLAN online tests after Friday 24 May 2019.

How is my child's performance measured?

Individual student performance is shown on a national achievement scale for each assessment. A result at the national minimum standard indicates that the student has demonstrated the basic literacy and numeracy skills needed to participate fully in that year level.

A NAPLAN individual student report will be issued by your child's school later in the year. If you do not receive a report, you should contact your child's school.

How are NAPLAN results used?

- Students and parents may use individual results to discuss progress with teachers.
- Teachers use results to better identify students who would benefit from greater challenges or extra support.
- Schools use results to identify strengths and areas to improve in teaching programs, and to set goals in literacy and numeracy.
- School systems use results to review programs and support offered to schools.
- The community can see average school NAPLAN results at myschool.edu.au

Where can I get more information?

For more information about NAPLAN:

- contact your child's school
- contact your local test administration authority at nap.edu.au/TAA
- visit nap.edu.au

For information about how personal information for NAPLAN is handled by ACARA, visit nap.edu.au/naplanprivacy

Medical Alert Updates 2019

Please ensure all children with anaphylaxis and other medical conditions hand in their updated Action Plans. Kindly ask your doctors to sign, stamp and date them. The school needs to receive a coloured copy of the Action Plan for our health records. All students with a known medical condition must provide updated health plans for 2019. Thank you for your ongoing support.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2019, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reasons

Library

Please note that the Library will be closed all this week, including before and after school, due to Parent/Teacher Interviews. Therefore no classes will be borrowing this week. The Library will also be closed on Monday Week 3 due to Year 2 interviews, however, Library lessons will be conducted in classrooms.

The Library will be open for Chess Club on Friday afternoon as normal.

Thank you for your understanding.

Happy reading!

Chess

This Friday sees Round 1 of the JCL Primary Schools Competition aka The Game of Chess Thrones where we hope to be able to bring you thrilling reports of bravery, chivalry and feasting as we face off against the Great Houses of the Upper North Shore.

At present we are feverishly preparing the duty allocations and hope to get it to parents soon. At this point the teams (and who they are playing this week) are:

A - Boris, Alex, Daniel, Max - Home v St Ives North

B - Kiran, Hari, Brendon, Wyatt, Sid - Home v St Ives

C - Emily, Wansi, Sherry, Consuela - Away v Lindfield East B

D - Curtis, Deves, Tiago, Ethan - Away v Newington Lindfield

E - Kyle, Landis, Cameron, Vedant, Jayden W, Hugo - Away v Barker B

F - Sidney, Andrew, Gaspard, Jayden L - BYE

G - Theo, Jeremy, Hayson, Siqi - Away v Wahroonga C

H - Kendra, Aimee, Elizabeth, Jiaqi, Viviana, Eliza, Yolandy, Hannah - Home v Abbotsleigh B

Good luck all and may the odds be in our favour. We are really mixing our sci-fi fiction metaphors here!

As always, our thanks to the Canteen for all the lovely food they supply us with (and the parents.) We are noted amongst the Seven Schools as providing the best spread and no doubt will do that again. Thanks also to the school for their ongoing support for Chess.

BAND & STRINGS CAKE STALL FUNDRAISER IS ON AGAIN
ELECTION DAY – SATURDAY 18 MAY
CAKES DUE FRIDAY 17 MAY COMMUNITY ROOM 2-3PM

Dear Parents of Band and Strings,

Election Day for the Federal Election is coming up on Saturday 18 May. Given the success of our last Election Day Cake Stall we cannot miss this wonderful opportunity to sell our delicious offerings to our local community once again.

The Election is occurring on Saturday 18 May and voting polls are being set up at LPS Hall once again.

We sincerely appreciate all the effort both Strings and Band families put into volunteering their time, creativity, baking skills and funds to sell cakes and other such fare. The reason we do this is to subsidise the Music Camp that is occurring in June. The money raised helps so that the cost of sending children to the camp is not so overwhelming.

Late this week and early next week, your child will receive a cake box during their rehearsals. This hopefully will assist many, like myself, with presentation! We greatly appreciate you listing the ingredients in your creation.

Cultural sweets are most welcome as are egg-free and gluten free varieties. At our last Cake Stall these were most gratefully received.

To give you a guide for your time and effort, the prices we are looking to sell the products are as follows:

Fancy Cakes \$25-\$20

Large cakes = \$15.00 each

Cupcakes mini = \$1.00 each

Cupcakes large = \$1.50

Fancy Cupcakes and slices = \$2 each

Baked goods may be dropped on Friday 17 May to the Community Room (adjacent to the Canteen) between 2-3pm please.

1. Take the cake box directly to the Community Room. PLEASE DO THIS IN THE AFTERNOON between 2-3pm. Do NOT take it to the Canteen. Fridays are particularly busy in the Canteen thus we are utilising the Community Room.

Cake Stall Volunteers

Anyone available and happy to assist to selling the cakes on the day of the Election will be most appreciated. Please click on the link below and enter your details. The signup genius will send a reminder email to you also.

Busking - As busking was so popular and also well received, we have once again set up a busking roster sign up. Please click on the link below. Please know that you will be responsible for your child on the day and all funds will go towards the costs of the Camp.

Band

Welcome back to Term 2!

We hope our Band families are refreshed and ready for a very busy term of music-making ahead. We are now keenly preparing for our amazing Annual Music Camp - we ask that all families support these efforts by completing payment and registration as soon as possible.

Music Camp 16-18 June - don't miss the Early Bird Discount

Payment for Music Camp can now be made via the below link. We are delighted to offer an early-bird discount to families that **pay and return their registration documentation** by **Tuesday 14 May**. If you have more than one child attending, please follow the instructions to ensure you get a sibling discount.

Your Band Representative has emailed all the relevant forms and communication this week. The final date for completing payment and registration is Friday 17 May - however, your prompt and earlier attention will ensure the extensive planning process is a smooth one for your children.

Mother's Day Breakfast - JB to perform

We are delighted that our Junior Band will make their debut performance at the Mother's Day Breakfast this **Friday 10 May**. We wish them the best of luck and look forward to seeing the enormous smiles and joy that this very special performance will bring out of the proud audience.

Another Election - another delicious Cake Stall - Saturday 18 May.

LPS's Music Program enjoyed a very successful fundraising effort with the recent State Election Cake Stall. These funds go directly toward improving the program and related activities for your children. With the 2019 Federal Election now upon us, we are asking our wonderful Band families to *please* continue their amazing support by contributing scrumptious home-baked goodies once again.

Cake boxes will be distributed at next week's afternoon rehearsals. We are kindly asking for your home-baked goodies (*no nuts please*) to be delivered to the Community Room on Friday 17 May, or directly to the Stall on Saturday 18 May.

We appreciate that families are so busy with winter sports this term - but the voting public pay generously for your home-baked efforts - your valuable time and delicious creations will really make a difference to our Music Programs!
