Principal's Message

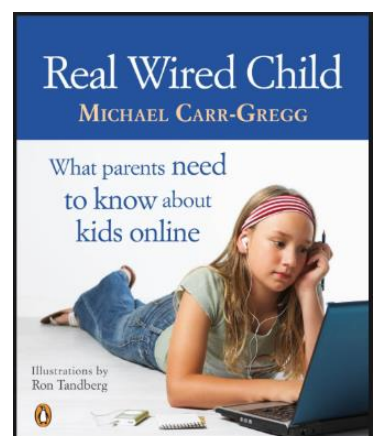

Zone Cross Country

Many of our talented runners participated in the Ku-ring-gai Zone Cross Country Carnival at St Ives Showground yesterday. The accompanying teachers reported that all the students gave their best and represented Lindfield PS with passion and skill. We had some very pleasing results from many students. Our school captain Spencer (5/6A) running in the 11 Years Boys raced particularly strongly and is now the Ku-ring-gai Zone champion! Congratulations Spencer on this fantastic achievement. Thank you to Mr Elsley, Mrs Sian and Miss Sweeney for attending the carnival and supervising on the day.

Dr Michael Carr-Gregg Presentation Tonight at Killara High from 6:30pm – 8pm

The Killara Schools Partnership has been fortunate to secure the services of the highly regarded psychologist Dr Michael Carr-Gregg to share latest research and tips about how parents can help their children navigate through social networking, cyberbullying, internet addiction, online gaming and software filtering issues. See the flyer later in the Lines for more information.

New Fee System

This year we have introduced a new system to pay school fees. *Schoolbytes* is our new way of communicating account information via email. We no longer send out paper copies of Term Accounts or Annual School Voluntary Contributions. You can still find these on the school website under the 'Notes Tab' then select 'Accounts'. In order for this to work efficiently, it is important that we know which email address to send the account to, as we may have both mother's and father's email addresses on file. So far this year we have sent out requests for Annual School Voluntary Contributions and the Term 1 Accounts. If you have not received either of these via email or wish to change the person who is receiving this account, please contact Ms Lee Stewart on lee.stewart1@det.nsw.edu.au.

Thank you for your prompt responses to our payment requests and patience while we introduce this new system. We are confident that the issues have been resolved and that this system will prove to be advantageous for both parents and the school. Please read all the documents that are attached to your statement as this supporting documentation explains what the different charges are for. For a confidential discussion about financial difficulties please contact me via the office.

Stage 3 Coding

In Digital Technologies lessons with Mr Brock, Stage 3 have started exploring physical computing as part of the new Digital Technologies curriculum. Students are using the micro:bit microcontroller; responding to user control via buttons and controlling outputs such as LEDs. To program the micro:bit, students are using several programming environments including Blockly and MakeCode.

The school has just bought all of the required hardware for teaching physical computing, however, if you have spare (as in not being used anymore) micro USB cables or old USB battery packs that are not up to powering the newer iPhones, then please consider donating these to help complement our use of micro:bit devices in a portable/mobile mode.

Year 1 PE

Playing Dodge Ball on these cold days has proven to be a wonderful way to keep warm.

I have this on good authority from class 1PT!

Deputy Principals' Message

Printmaking in Year 1

All students in Year 1 have learnt about printmaking in Visual Arts lessons. Printmaking is the process of creating artworks by printing, normally on paper. Printmaking normally covers only the process of creating prints that have an element of originality, rather than just being a photographic reproduction of a painting. Students in Year 1 used leaves to create a print using green, yellow and blue paint. They then used toothbrushes to flick paint dots on the background. They had lots of fun and their artwork looks very effective!

Artist in Residence - Elizabeth Hamilton

This term in Stage 3, we are very lucky to be working with an amazing artist in our community, Elizabeth Sullivan. Each week, Year 5 & 6 students rotate art workshops and engage with different media and locations around our school. Elizabeth coordinates a mixed media session outside and students experiment with watercolour, ink, collage and monoprinting. We have really enjoyed watching the children experimenting, innovating and being so creative with their art.

On Thursday 4 July (Week 10) we will be exhibiting the Stage 3 landscape artworks in the hall from 9:00-11:00am. We would love to invite our local community to view the finished masterpieces.

Interrelate Family Evening Programs

The 'Interrelate Family Program' will be held on Thursday 6 June. This is a valuable program and we encourage all Years 3 – 6 students to attend. Session 1 called 'Where Did I Come From?' will commence at 6pm and Session 2, 'Preparing for Puberty' will commence at 7:15pm. The program is designed to be presented in its entirety as the content from 'Where Did I Come From?' builds the foundation for 'Preparing for Puberty'. Therefore, Years 5 and 6 students may also like to attend the 6.00 pm session. You should have received a note earlier this week. If you require a note please see our office staff or go to the school website.

ICAS Competitions

After careful consideration, this year we have decided not to take part in the ICAS competitions. The tests have moved online and as traditionally we would have approximately 200 students sitting each test, it is not possible to complete them before school in our two computer rooms. If you would still like your child to participate, please contact your nearest coaching college or external tuition services as they may be offering these.

How does your garden grow?

Mr Katrak and Mrs Rivera have been working with students in Years 3-6 to design, plant and maintain the bush tucker garden growing in our Ginkgo playground. After winning the Investigate Bees competition last year, 5/6A decided to use their \$1000 prize to plant a sustainable bee friendly bush garden. Over the last few weeks, students have enjoyed watering, planting and fertilising the garden at lunch time.

Mrs Rivera and Mr Katrak

Music Camp

Many students are very much looking forward to Music Camp which will take place from Sunday 17 June - Tuesday 18 June. It is being held at Sydney Academy of Sport and Recreation, Narrabeen. Thank you to Mr Rhyan Stephens and his enthusiastic team of parents/carers for their expert organisation of the camp. Thank you to the teachers who will be attending. We would like to also thank all of the parents who will be assisting throughout the camp to support our students and this incredible program. Parents helping will be receiving information about their roles and responsibilities next week. There are still some available spots for volunteers to help pack up instruments at the end of camp and to unload instruments back at school on the Tuesday evening. It would be greatly appreciated if you could assist. Please click the link below to volunteer to assist the camp using the following URL:

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2019, we have a small number of children with a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reasons

Debating Report

On Wednesday 22 May, both of our debating teams battled in Round 1 of the Ryde District Debating Competition with the topic, 'Australia should close all of its zoos'. Feeling just a tad nervous as for most of them this was their very first official debate, Lindfield Team 1 competed at home against Kent Road Public School while Lindfield Team 2 travelled away to debate against Roseville Public School. Both teams made Mrs Chapman and Mrs Sian incredibly proud as the results for both teams were extremely close and came down to just one main argument each. Team 1 were the winners in their debate, but Team 2 just missed out! Congratulations to both teams for your first debate! You did very well!

The students receive constructive feedback from the adjudicators at the end of each debate and they are eager to take it all on board and tackle Round 2 next week against Ryde East Public School and St Ives North Public School.

INVITATION TO ALL PARENTS AND CARERS - P&C GENERAL MEETING

Our next P&C meeting will be held on **Thursday 30 May at 9.15am (after morning drop off)**. This gives an opportunity for parents and carers who are unable to make our evening meetings to attend. I know that a P&C meeting can be rather daunting for most, so I thought I would take the opportunity to dispel some myths about P&C meetings.

P&C myths

Myth 1 - If you attend a meeting you have to volunteer for something.

Truth - Come along and meet some new faces. The main purpose of a P&C meeting is really to learn more about our school. It is a great way to meet other parents and discover new things about our school.

Myth 2 - It is scary and everyone knows everyone else.

Truth - The only way to meet people is to actually turn up to a meeting. It's just like the first day of school for our kids, we all become friends sooner or later.

Myth 3 - If you go once, you have to go to all of them.

Truth - There is no pressure to attend any of our meetings. You might see something interesting on the agenda or you may want to raise something or you might just want to come and listen.

Please come and join us. Everyone is welcome! Please see the agenda attached.

The poster features a blue border. At the top, the text 'Live Life Well @ School' is in orange and white, with 'LIMIT SCREEN TIME FOR GOOD HEALTH' in white on a blue background below it. The central image shows a family of four (a man, a woman, and two children) sitting at a dining table with food. The man and woman are looking at their smartphones, while the children are looking at a tablet. Below the image, the text 'What could you do?' is centered. At the bottom, there is a blue box with white text providing a website for more tips, and the NSW Government and Health Northern Sydney Local Health District logos.

Chess

Round 3 of the Junior Chess League Primary Schools Competition (Upper North Shore) was held last Friday with most of our teams traveling and our catering given a slight break. Your correspondent managed to get back from his own food liberation in time to send off most of the teams. Results from last week:

Lindfield A played Barker A for a 2-2 draw (aggregate 6-6)
Lindfield B played St Ives North A for a 2.5-1.5 win (9.5-2.5)
Lindfield C played Sydney Grammar F for a 2-2 draw (6-6)
Lindfield D played Sydney Grammar E for a 4-0 win (7-5)
Lindfield E played Sydney Grammar D for a 1-3 loss (2-10)
Lindfield F played Newington College Lindfield H for a 2-2 draw (6-6)
Lindfield G played St Bernards Berowra Heights B for a 4-0 win (12-0)
Lindfield H played St Ives North B for a 2-2 draw (4-8)

This week at Home we have - Lindfield A play Lindfield East A, Lindfield B play Barker A, Lindfield E play Sydney Grammar F, Lindfield F play Barker E and Lindfield H play Newington Lindfield B.

The following teams are traveling - Lindfield C go to Abbotsleigh A, Lindfield D go to Barker D and Lindfield G go to Knox D. Good luck teams!

Music Camp - pack-up volunteers needed!

Thank you to our Band families for completing the registration process for our upcoming Annual Music Camp. It promises to be an amazing time for our young musicians!

We appreciate all the volunteers who have signed up to assist at Camp - however, we remain short of helpers to **pack up Narrabeen** at the conclusion of the Camp Concert. An extraordinary amount of planning and organisation has already been done by the Organisers - please show your appreciation by signing up for the remaining tasks at the end of Camp which includes **unpacking the truck** when it arrives full of instruments at LPS on the Tuesday evening.

Many hands will make light work! So if you are attending the concert, please help by signing up for the last afternoon's duties (Tuesday 18 June) using the following link: [Volunteer Roster - Music Camp 2019](#)

Parking and road rules in school zones

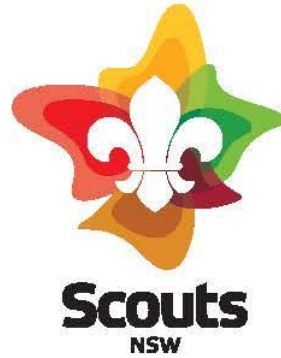

You need to take extra care when driving and parking in school zones. Make sure that you and your child understand the road rules. If you break the traffic rules in a school zone you are putting not only your child but other children at risk. The parking and traffic rules around our schools are there to protect your children. If you break the rules you will be fined. **Please choose safety over convenience.**

QUICK REFERENCE GUIDE TO IMPORTANT SAFETY TRAFFIC RULES

ZONE	WHAT DOES IT MEAN?	WHY IS IT THERE?	PENALTY	DEMERIT POINTS*
	You cannot stop in a NO STOPPING zone for any reason (including queuing or waiting for a space). 	Keeps clear sight lines between drivers and children / pedestrians.	EXCEEDS \$337 	(School Zone) 2
	You can stop in a NO PARKING zone for a maximum of 2 minutes to drop off and pick up passengers. If no spaces are available you cannot queue on the road way or in any other zones while waiting for a space. You will need to drive away and park elsewhere, only returning when there is space to pull up. You must stay within 3 metres of your vehicle at all times and cannot leave your vehicle unattended.	Provides a safe place for children / pedestrian set down and pick up.	EXCEEDS \$187 	(School Zone) 2
	You must not stop or park in a BUS ZONE for any reason (including queuing or waiting for a space) unless you are driving a bus. If times are shown on the sign, you are not allowed to stop during those times.	Provides a safe place for large buses to set down and pick up school children.	EXCEEDS \$337 	(School Zone) 2
	You must not stop on or within 20 metres before a PEDESTRIAN CROSSING or 10 metres after a crossing unless there is a sign permitting parking.	So drivers can clearly see pedestrians on the crossing.	EXCEEDS \$448 	(School Zone) 2
	DOUBLE PARKING You must not stop on the road adjacent to another vehicle at any time even to drop off or pick up passengers.	Double parking blocks visibility and forces other cars to go around you.	EXCEEDS \$337 	(School Zone) 2
	You must not stop on any FOOTPATH or NATURE STRIP , or on, or across a DRIVEWAY .	You could easily run over a child or force pedestrians onto the road to get around you.	EXCEEDS \$337 	(School Zone) 2

Please note: The above information is current as of February 2019.

Get Active with Scouts!

Scouts Australia provides boys and girls with fun and challenging opportunities to grow through adventure. Our diverse range of activities help develop skills such as leadership, teamwork, problem solving and communication.

2nd / 3rd Lindfield Scouts take part in a variety of activities such as camping, bushcraft, canoeing, rock climbing, sailing or cycling. We encourage girls and boys to trial scouts for 3 to 4 weeks before committing, to see if it's for them.

Joey Scouts are 5 to 8 years and will start meeting from term 3.

Cub Scouts are 8 to 11 years and meet on Monday nights from 7:00-8:30pm

Scouts are 11 to 14 years and meet on Friday nights from 7:00-9:30pm

The 2nd / 3rd Lindfield Scouts Troop Hall is located on Beaconsfield Parade, Lindfield, just behind KFC.
