Principal's Message

Congratulations Semester 2 Class Captains

At our assemblies last week, we badged our Semester 2 Class Captains. These students will work alongside the Year 6 Student Leadership Team to form the Student Representative Council (SRC). They will meet fortnightly to raise and discuss school issues and to select charities to support. After the meetings they will provide feedback to their class. Thanks to Mrs Jennifer Nelson and Miss Lindsay Taylor for coordinating the SRC. I look forward to working with this enthusiastic group of students and hearing their ideas.

Killara Schools Partnership Student Leadership Workshop

Our Year 5 SRC, accompanied by Mrs Jennifer Nelson, joined with other local primary school representatives to attend a leadership workshop. Killara High School students led our students through a range of practical leadership activities. Following this, they travelled to Stewart House near Curl Curl Beach to see what this special school offers. Students at this school are offered a two week placement that provides optometric, dental and medical treatment as well as emotional support. This is balanced with health and educational programs and out of school activities to boost their self-esteem and to promote a healthier lifestyle.

Visit <https://www.stewarthouse.org.au/> for more information and a virtual tour. The NSW Department of Education provides infrastructure and staffing support for this school. All other costs associated with the children's stay are met from charitable donations. Students between Years 2 and 8 are invited to attend the program. Later this term the SRC will run a 'blue mufti day' to raise much needed funds for Stewart House.

1R Assembly

We were entertained last week by 1R as they beautifully sang 'Thunder'. Their artworks of Tiddalick the frog were creative and included a growth mindset message on the back of them. Well done 1R and Mrs Ranasinghe! Congratulations to our Blue Assembly Award winners and Gold Award winners for this fortnight.

Deputy Principals' Message

Stage 1 Excursion into the Past

Last week students in Years 1 and 2 visited Elizabeth Farm and Old Government House to conclude the History unit 'The Past in the Present'. Elizabeth Farm is one of the oldest homes in Australia and was built for the young military couple John and Elizabeth Macarthur and their growing family in 1793. There students used quills and were entertained by the very strict teacher Mr Richardson!

We would like to thank all the staff that have done their best to keep the crossing a safe place to cross the road for most of 2019. We look forward to welcoming Mrs Ayuni tomorrow at 8:15am. Make sure to say hello and welcome her to her new role!

Recently we have become concerned with the times students are being dropped at school and picked up in the afternoon. In the morning, students should arrive at school between 8:30am and 8:55am. Playgrounds are supervised from 8:30am and the school cannot accept responsibility for students before this time. Students are not permitted to arrive at school before 8:30am. Students who arrive at school after 9:00am must report to the front office accompanied by a parent/carer to be given a late arrival note. This note should be given to the class teacher.

In the afternoon, it is expected that students are collected from school promptly at 3:00pm. For our children's safety, it is expected that students in Kindergarten, Year 1 and 2 are collected from their classrooms. Teachers will take students to the front office if they aren't collected on time. Parents will then be required to sign the 'Late Pick Up' register in the front office and provide a reason for why they are late to pick up their child. If your child attends an after school activity, it is your responsibility to supervise your child until the activity commences. Once the activity has commenced, student supervision is the responsibility of the person or group organising the activity - not the responsibility of the school. Students must be supervised by their parent/carer after 3:00pm and are not permitted to remain unsupervised to wait for an afternoon tutorial or lesson. Thank you for cooperation in ensuring we all work together to keep our students safe.

It is that time of the year again when Lindfield PS play Lindfield East PS in the annual Stirling Mortlock Cup rugby competition. Once again we will be entering a junior and senior team. The games will be played on Monday 26 August 2019 at Tryon Oval. A mouthguard must be worn by all students. Students will also need to wear their boots, mouthguards and protective gear to training. The coaches for the teams will be Mr Elsley and coaches from Lindfield Rugby Club.

Game Times: Junior Rugby 4:00pm and Senior Rugby 5:00pm

Next Training: Thursday 22 August 2019 – 5:00pm to 6:00pm at Tryon Oval

Father's Day Breakfast

We are very much looking forward to the Father's Day Breakfast which is just around the corner. It will be held on Friday 30 August and all tickets must be pre-purchased as there are no ticket sales on the day. Click on this link to purchase your tickets. <https://lpspandc.org.au/product/fathers-day-breakfast-2019/> Entry tickets to this event will be sent home with the students next Wednesday. The ticket must be handed in to receive the purchased breakfast. Students are encouraged to bring gold coins to buy raffle tickets and a special gift for Dad from one of the stalls. There are four great raffle prizes to win and even a fish guessing competition where the winner takes home a real fish and fish tank. Thank you to Di Hughes and Francesca Reynolds who have been working very hard to organise this wonderful event. A handful of volunteers are also needed to help this event run smoothly. Please sign up below if you can help out. We look forward to seeing all the Dads on the day.

Years 3-6 Assembly - 5/6S

At last week's Years 3-6 Assembly we all watched a fantastic presentation from 5/6S on the importance of smiling. There was an excellent slide-show and a great song and dance too. Congratulations to all of 5/6S on their performance!

Application for Year 5/6 Extension Class 2020

We will be holding a Parent Information Evening on Wednesday 11 September 2019 in the school Library commencing at 6:00pm for Year 4 students who are keen to try out for the Extension Class. Notes will be sent out shortly.

2020 Kindergarten Enrolments Due

Enrolments for Kindergarten 2020 are now due. We ask that if your child is coming to Lindfield Public School in 2020 in Kindergarten that you please fill out an enrolment form at the front office as soon as possible. This will greatly help us with planning for 2020. We welcome these parents to our Parent Information Evening at 6:30pm in our School Hall on the 28 August 2019.

Swim Scheme 2019

Years 3-6 Students

Term 3 Week 9 and 10

Monday 16 September to Friday 27 September

The Department of Education School Swimming and Water Safety Program is an intensive learn-to-swim program, which develops water confidence and provides students with basic skills in water safety and survival. The program is conducted over ten days. Each daily lesson is 45 minutes.

All Year 2 students will participate in this program. We encourage any Years 3-6 students who have not reached a satisfactory standard of water safety and survival skills, and are unable to swim 25m confidently unaided in deep water, to participate in the School Swimming and Water Safety Program. The program focuses on weak swimmers in Year 3 to 6, as well as students with special needs such as new arrivals in Australia and students with disabilities.

The cost of the program is \$30 and will take place at school.

This program is an excellent opportunity for students to improve their confidence and water safety skills.

Please see your class teacher for a permission note.

**Please return payment and permission note to the
Administration Box ASAP**

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2019, we have a small number of children who could have a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6. How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reasons

Save the Date – Book Character Parade!

Although this week is officially Book Week, here at Lindfield PS we celebrate our own special week in Term 4 as we find at this time of year there are far too many disruptions to add another event for our families and staff. This year our Book Character Parade will be held in **Term 4 Week 2 on Tuesday 22 October 2019**. As this year the Book Week theme is **'Reading is my Secret Power'**, it will be amazing to see what our students and staff come up with to support this idea! More information will go home closer to the date.

Happy reading!

Canteen

What happens when the Canteen doesn't get volunteers?

Options taken by other local schools:

- close the Canteen for some days during the week.
- out source to private enterprise (significant price rises and loss of funds for the school).
- pay for extra staff (significant price rises or having a fee for non-volunteering parents).

We have been unable to fill our weekly places for more than a year now and have been relying on paid extra help or calling people in emergency mode in order to feed the children on time.

Please come in – a day a term – at the most **just 5 hours of your time a term or even once a year – will make a huge difference.** We understand that many people work and some of you have small children and cannot help – for everyone else, please consider putting your hand up and support LPS by donating your time.
