Term 3 Week 8

11 September 2019

Principal's Message

Years 3-6 Assembly

It was a busy assembly yesterday as we presented many awards and celebrated student achievements. Blue Award, Silver and Gold Award winners were acknowledged for their efforts and congratulated on their success. Class 4A shared some interesting facts and figures about the Daintree Rainforest. Their item was enhanced by their beautiful artwork depicting plants and animals of the rainforest. Thank you Miss Maclaine and 4A for your very informative item. We also had the opportunity to recognise the Division 2 Junior A and B Boys Soccer Teams who both were runners up in this year's PSSA winter competition. Well done boys!

Year 6 Ski Trip Report

Six students shared their reflections of last week's ski trip and certainly painted a picture of an exciting time on the snow and engaging night activities. Thanks to Mr Elsley, Mrs Sian, Mrs Nelson, Mr Reid and Mr Hayllar for supervising our Year 6 students and giving up their family time for the week. Congratulations to Year 6 on your outstanding behaviour and for being excellent ambassadors for our school.

Girls Uniform Options

Thank you to everyone who provided feedback about the girls uniform options. The girls winter pants were introduced and were popular with over 70 pairs purchased during the season. The summer option feedback has been considered and while there were very positive comments about the skort, the grey colour was not popular with many comments suggesting that girls liked the skort but wouldn't wear it if it was grey. The preference was for navy blue. This was endorsed by the Uniform Committee and at the last P&C meeting. The blue skort is an 'off the shelf' garment and not custom made so is readily available and cheaper than if we were to stay with the grey colour. The blue matches the blue stripe in the girls winter tunic. From Term 4 this year, the girls summer uniform options will consist of:

- the summer tunic
- the blue skort with the blue short sleeved shirt
- the grey unisex shorts (currently worn by the boys) with the blue short sleeved shirt.

Girls may choose any of these options. The boys uniform remains unchanged.

Ryde School Spectacular Success

Yesterday our choir attended a rehearsal in preparation for the Opera House concert in October. All members enthusiastically participated and behaved beautifully. At the rehearsal we received the wonderful news that after an audition process, Michaela H has been given the honour of singing as part of a small group ensemble to accompany the massed choir. Congratulations Michaela, we are very proud of you!

Deputy Principals' Message

Year 6 Jindabyne Ski Tour 2019

Firstly, we would like to thank all of the staff who took time out of their busy family lives to make time to take Year 6 on what was a fantastic week away. Mrs Sian, Mrs Nelson, Mr Reid, Mr Hayllar and Mr Elsley showed exceptional professionalism, expertise, courage and a sense of humour on what can be a very demanding week for staff. Your collegiality and good nature made it a very enjoyable camp.

2020 Kindergarten Enrolments

Enrolments for Kindergarten 2020 are now open. We ask that if your child is coming to Lindfield Public School in 2020 in Kindergarten that you please fill out an enrolment form at the front office before the end of Term 3. This will greatly help us with planning classes for 2020.

Extension Class Evening – Parent Information Session

We will be holding a Parent Information Evening tonight in the school Library commencing at 6pm for parents/carers of Year 4 students who are keen to try out for the Extension Class in 2020. This session is for parents/carers only and students are not required to attend.

Mindquest 2019

On Saturday 9 and Sunday 10 November 2019 the 93rd NSW Talent Enrichment Weekend *Mindquest* will be held for primary school aged students from Years 1-6 at Glenwood HS. These include gifted and talented students, gifted underachievers and students with above average ability with a special interest. Students will have the opportunity to participate in 37 exciting, fast paced courses in the two day program. The cost of the weekend is \$200 including GST.

Bach and JB play for Roseville Kindy

Today our Junior Band and Bach ensemble played for the students at Roseville Kindy. The little boys and girls had a great time dancing along to the music and even got to see some of their siblings. Thank you to all the parents who helped out on the day and to our JB and Bach reps for their organisation of the day.

Term 3 & 4 Recreational Sport and PSSA

Students not in a Summer PSSA team will receive a note for Recreational Sport this week so they can choose their preferences via the School Interviews website. To choose a sport go online to the School Interviews website <https://www.schoolinterviews.com.au> and use the code **srcaj**.

Swim Scheme

Students involved in the Swim Scheme will enjoy their time in the pool next week. The Department of Education School Swimming and Water Safety Program is an intensive learn to swim program, which develops water confidence and provides students with skills in water safety and survival. Lessons will target the needs of each differentiated swimming group, and include learn to swim instruction, style correction, water safety and survival strategies as needed. The program is conducted over ten days. Each daily lesson is 45 minutes. More information is included later in the Lines.

Palm Playground Equipment

Thank you to our PALS Year 5 boys who have started to use the new Palm Playground Equipment with K-2 students. On Friday afternoon they showed the younger students all the new equipment including a hopscotch, skipping ropes, trucks for the sandpit, soccer balls with soccer goals, a giant jenga and parachutes. They are proving to be a hit already!

The 'Tell Them From Me' Parent Feedback Survey

This term our school will be participating in the Partners in Learning **Parent Survey**. Your valuable feedback will help guide decisions around the future directions of our school. The survey will typically take 20 minutes or less to complete and is completely confidential. The survey can be done in several languages. Although participating in the survey is entirely voluntary, your responses are very much appreciated. To access the LPS Parent Survey please go to:

Thank you for your time in completing this survey as part of our consultation phase for our future school plans.

Before you Begin

Your child's school is participating in a survey that allows parents to express their views about their perceptions of their children's experiences at home and school. If you have more than one child at the school and your perceptions differ for each child, you may choose to complete the survey more than once to provide feedback on each child's experiences.

Your participation in the survey is anonymous and confidential. When you submit your survey, the responses are recorded on a secure site without personal identifying information. Your answers will be mixed with those of other parents and caregivers from the school. You may skip any questions you do not wish to answer, other than the one asking which school year your child is in.

Summer Uniform

It is that time of year again where the weather can get a little warm. Students are allowed to wear either their summer uniform or winter uniform for Weeks 9 & 10 if they wish to. Students must wear their full school uniform and not a mix of the summer and winter uniform.

Killara Schools Partnership Enrichment Workshop for Maths

The Killara Schools Partnership Mathematics workshop was an inspiring event where Year 4 girls from the KSP primary schools were mentored by eager Year 9 and 10 mathematicians from Killara High School.

These Year 4 friendly and kind mathematicians from Lindfield Public School joined other girls from the local primary schools in an exciting Mathematics workshop. They engaged in activities such as illustrating a fractal triangle so that it covered an entire wall and making fractal tetrahedrons using toothpicks and tiny marshmallows. Just look at the photos to see what a great experience it was!

It was a great opportunity for all the students to participate in challenging activities in a fun and encouraging environment. It was great to see the cooperation and teamwork that took place and the friendships and bonds that were made. The Year 4 students were amazing and didn't give up even when they found something difficult. The Killara Schools Partnership Mathematics workshop was an excellent experience for all participants.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2019, we have a small number of children who could have a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6. How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reason

LEAF POWER HOUR

Sunday 22 September 3- 4pm

RAIN + SUNSHINE = WEEDS

Recent weather has left us with an impending weed infestation, and as we move into Spring they will soon run rampant.

An hour of weeding should keep them at bay. Please lend a hand, all ages welcome, gardening knowledge is not required!

Meet in the Grosvenor Rd Car Park. BYO gloves etc.

WATER...

Despite the recent rain, the ground is still extremely dry and the long term forecast is not showing much promise. So we still need **your help:**

If your child has water in their water bottle at the end of the school day that would otherwise be tipped down the sink, please encourage them to pour it onto our gardens instead. It would be a great help.
