Principal's Message

Lest We Forget – Remembrance Day Assembly

In a fitting tribute, all Years 2-6 students paused for a minute's silence to honour those who made the supreme sacrifice in wars. Our student leaders Emma, Zolly, Ryan and Maria led us through an assembly that reflected on the meaning of poppies, The Ode and The Last Post. Our choir presented 'The Call', a song of hope from the movie 'Prince Caspian'. Michael R played a very moving rendition of 'The Last Post' whilst the students stood perfectly still in humble silence. Thanks to Mrs Batistich for organising this assembly and thanks to Ms Miggins and Miss Zhan for preparing the choir so beautifully. Congratulations to all the students for your outstanding, respectful behaviour throughout this assembly.

We will remember them.

Congratulations Mr Hayllar

Last week, Mr Hayllar welcomed a new baby into his family – a son Rory. We wish him well as he takes some family leave to enjoy his new family member. He will return next month.

Killara Schools Partnership Augmented Reality Enrichment Workshop for Year 3

On 4 November, 50 Year 3 students from our local primary schools gathered at Killara High School for a workshop to learn about Augmented Reality (AR). Students were able to discover what AR is and use a range of educational AR apps to explore different areas of interest.

Killara High School students in Years 8 and 9 volunteered to assist primary school students with each app. The result was a fun, energised and educational morning where primary school students used AR to explore celestial objects, different animals, and competition in ecosystems. Students were

also able to use the AR apps to bring their colouring pages to life in 4D and to catch hidden virtual letters around the room and use them to create spelling words. It was a valuable educational experience for both the primary school students and KHS volunteers alike.

One notable app, *Reservoir Crabs*, demonstrated how differences in organisms in the wild allow some to be more competitive than others. It utilised physical cards with numbers 1-15 that were scanned to show different crabs with different features. The KHS group leader explained 'when two crabs were scanned, they fought in a virtual world, and while fighting we were able to see what affects a crab's ability to win competitions for food. We realised that the claw length and mass both affected the crabs' ability to fight and each primary student got to try fighting different crabs'. By the end of the workshops the students were all confident in the ability to identify which crab would win competitions by looking at the physical attributes of each crab prior to viewing them compete. The children had a great morning and enjoyed learning all about augmented reality.

Deputy Principals' Message

Kindergarten Orientation Tomorrow

It was lovely to see all of our 135 new Kindergarten students at our first Kindergarten Orientation Session last week. Thank you to all of our presenters; Catherine Dickinson, Pip Kramer, Sandra Richardson-Sanchez and Jess Gregg, for their informative presentations. Thank you also to our Year 5 and 6 students who led our new Kindies on a tour of the school!

We are looking forward to seeing Kindy 2020 again tomorrow (14 November) at their second Kindergarten Orientation visit. A reminder that children need to be dropped promptly at the classrooms at 9.30am. New name tags will be provided and parents/carers must remember to sign in. The adults will then make their way straight to the Hall.

KM Assembly

KM entertained us all at assembly last week with their energetic song 'Don't Give Up' all about having a growth mindset. Mozart String Ensemble, led by Adrian Mansukhani, also performed during this assembly and shared their skills for their very first performance.

Year 6 Mini Fete - Wednesday 20 November

Year 6 students have been very busy arranging their Mini Fete for the rest of the school. There will be a range of food and drinks to purchase, as well as activities and games to enjoy. Items range from 50 cents - \$3. All K-6 students may bring any amount up to the value of \$10, preferably in gold and silver coins. Please ensure money is in a wallet or bag with your child's name clearly labelled. Please see the detailed flyer later in the Lines with information for all students in preparation for the day.

Athletics Carnival

K-2 students had a wonderful time at the Athletics Carnival where they were involved in a number of different games and fun running races after lunch. Thanks to all our lovely visitors who gave their support to our students and joined us for a picnic lunch. Thank you also to Mr Smith, Mrs Capper and Mrs Perry who organised the day.

Tell Them From Me...Students have their say!

At the end of last term our students in Year 4, 5 and 6 took part in the 'Tell Them From Me' survey. We are very pleased with the positive results of the survey. What pleased us the most were their responses to the question 'What are the best things about this school?' Here are just a few of their responses below. Thank you students - you make us proud!

<p>We have lots of opportunities. We have a large swimming pool which we are very lucky to have. The school have dedicated teachers that are devoted to what they do.</p>	<p>It is good because we use different learning devices and learn different ways of doing things.</p>
<p>My teacher My friends Our pool Our teachers in the office Our mufti And how great our school is at band,athletics, swimming,dance mostly everything we do well in We're a hard working school</p>	<p>All teachers are nice and care about you. If you don't understand something they always explain it to you. There's always something new learnt. If you are upset about something whether it's at home or school they try to make you feel better. In classrooms there are normally really fun reward systems as well as roar cards that encourage me to try harder.</p>
<p>I like how this school is participating with other school activities and how my school has a multicultural society.</p>	<p>I enjoy maths, science, art, computers and the public speaking competition, I think these are fun to do so I savour them when I can.</p>
<p>I guess the best thing used to be playing with my friends but now I have no friends so I guess it would be writing.</p>	<p>The best things about this school is that I have friends, classmates and teachers who care about me, I feel safe and I fit in, I feel safe and the school is so well looked after.</p>
<p>The best things about school is having friends and actually learn and have education. I like the teachers at Lindfield Public school and they are very caring supportive people in our school life. I really appreciate the school I'm going to. I'm enjoying my school!</p>	<p>The fact that no-one really ever gets bullied and how everyone is excepted for who they are. The learning environment is also great, and the students except the teachers as friends. The students are also open to other students and teachers.</p>
<p>It makes me feel welcomed. I look forward to going to school as I know there is no way I will come to harm. It is just AMAZING.</p>	<p>Sport, Maths, Science, My Teachers, My Learning, My Friends, Swimming, PSSA, Writing, Good Feedback</p>
<p>This school listens to ideas put through by students, and works hard to achieve them. This school is an environment that I can be myself in, and teachers help us. We get so many different opportunities that let us find our passion and interests, which we can then pursue more.</p>	<p>The teachers are kind and caring. I have a group of trustworthy friends. I feel safe and protected from harm. Learning is fun and enjoyable.</p>
<p>It is great because I feel that the teachers here make a Monday feel like a Friday and a Friday will feel like a Saturday it just their kind presence just makes me smile</p>	<p>Our school has many extracurricular activities which allows us to find what we really like doing. I think the teachers are really important too as they help us to find our character and passion.</p>
<p>How everyone is friendly and kind to everyone</p>	<p>Everything!</p>

GREAT THINGS ARE HAPPENING IN OUR SCHOOL CANTEEN

What is happening

There is a NSW Healthy School Canteen Strategy and our school canteen has worked hard to achieve this and create a better school community for our students.

The strategy aims to promote health and well-being for children in all NSW primary and secondary schools, by providing healthier food and drink choices to encourage healthy growth and development.

All NSW government schools are required to meet the criteria before the end of 2019. Independent and Catholic Schools are also strongly encouraged to achieve the Strategy.

What you may notice

- At least 75% of our menu is "Everyday" foods and drinks.
- Promotion of better food and drink choices.
- Removal of sugary drinks and unhealthy food.
- More fresh food available.
- Changes to portion sizes of food and drinks.
- 3.5 Health Star Rating (HSR) being applied to all "Occasional" packaged food.
- A new attitude towards food.

Please continue to support your school canteen during this period of change, as we strive to create a **healthier school community** for all. Volunteers are always welcome and if you are interested please contact our canteen manager.

Mozart's marvellous performance

MOZART did a fantastic job last Thursday with their first performance. To think they only started learning their instruments this year! Big thanks to Mr Mansukhani and Miss Du Flou for preparing them for this occasion. We look forward to hearing them again at the Music Spectacular.

2019 Music Spectacular

It's full steam ahead for the 2019 LPS Music Spectacular on **6pm Friday 29 November**. You will have heard your children practising their parts at home. How exciting it will be for it all to come together at the Music Spectacular. Playing in an ensemble is such an enriching experience. We look forward to seeing all our Strings families at the event and to celebrate our children's musical achievements this year.

If there are still any parent volunteers able to help in the lead up to the event and/or day, please let us know. We are always grateful for the help.

Christmas Mini-Concert

Join us for a little Mingle and Jingle at the Strings Christmas Concert on **2:45pm-5:30pm Sunday 8 December**. The ensembles will be performing a mini Christmas concert. There will be our famous raffle and afternoon tea to follow.

A good reminder on caring for your instrument (hired or not)

With the advent of warmer weather and some recent incidents, please remember to loosen bows completely after use to avoid irreparable damage to the bow. Also, instruments should not be left in the car as the heat can damage the instrument. Please also remind your children to watch where they leave their instruments so people cannot trip or step on them.

Chess

The LPS Chess Club Senior Chess Championship was held over two weeks (first week all of Chess Club Years 3-6, second week the leading players.)

In the first week, five rounds were played with 80 members starting. In the second week, we continued the leading 34 members for two more rounds to determine the winners. It was truly a sight to behold as the Library was filled with chess boards everywhere - on tables and on the floor. Our thanks to all the parents who came and helped, the Canteen for a lovely spread as always and an especial thanks to Sarah for calmly taking on the scoring duties (not an easy task when surrounded by very excited peeps!)

After the seven rounds we had a clear winner and second place. The final results were:

Champion - Deves (7 wins out of 7)
Runner Up - Kiran (6 wins)
3rd Place - Hari (5.5 wins)

Year 6 (1st, 2nd, 3rd) - Boris, Daniel (5 wins), Emily (4.5 wins)
Year 5 - Hari, Wyatt (5.5 wins), Isaac (4.5 wins)
Year 4 - Deves (7 wins), Kiran (6 wins), Wansi (5 wins)
Year 3 - Hayson (5 wins), Max (3.5 wins)

Deves was a clear and undisputed winner - defeating our three top ranked players Boris, Kiran and Hari on his way to being undefeated. Well done Deves! The final round saw a reversal of a match from many moons ago - when an up and coming Year 4 lost his match against the incumbent Year 6.

Special mention to our Juniors Theo and Rusi who took part in this tournament and placed quite highly.

Lastly - a special thanks to all our Members from Mrs Chapman - for returning the Library to the best state ever. Well done!

2020 School Travel Applications Now Open

To assist with any enquiries you may receive regarding student travel applications, we have provided some information below.

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.
