Principal's Message

Celebrating Success at our Presentation Assemblies

Today parents and carers joined us for the third of our annual Presentation Assemblies. Years 1 and 2 students entertained us with their beautiful singing and dancing to 'We're All Going on a Summer Holiday' and 'High Hopes'. Our K- 2 choir put us in a festive mood with 'Aussie, Aussie Christmas'. Tomorrow we celebrate Kindergarten students' first year of school and I can't wait to hear their grade item.

Farewells for 2019

At the end of this year we farewell several valued staff members:

- Miss Emily Morrow has been appointed as Assistant Principal to Kentlyn PS (near Campbelltown)
- Miss Hannah Ginges has been appointed as a permanent teacher to Mosman Public School
- Mr Ken Nicol will be moving to Smalls Rd Public School in a part-time position as he transitions into retirement
- Mrs Alix Rivera commences her Maternity Leave and will not return in 2020
- Mrs Juliette Mc-Duie Ra will be on leave for 2020

We wish them all the best in their new ventures and thank them most sincerely for their contributions to our school over many years.

Thank you to the parents and carers who will be leaving us at the end of the year and for your help and support over the years. Many of you have taken on roles in the P&C, Music programs, Canteen, Chess and other committees – we appreciate all you have done!

Classes 2020

As the year is drawing to a close, we are currently planning for next year. At this stage, our numbers are changing daily and we have around 870 students enrolled for 2020 which would require us to form 34 classes. These classes may include composite classes, job share classes and single grade classes. Class structure is determined by the staffing formula provided by the Department of Education. The placing of children into new classes is a complex and time-consuming process as each year we strive to ensure that we have well-balanced classes. Classes at Lindfield PS are not graded academically except for the Stage 3 Extension class. When forming balanced classes, many factors are taken into consideration: gender; academic ability; special needs such as learning support, English as an additional language or dialect, behavioural and social needs; medical needs and learning behaviours. Teachers also request students to identify friendships in an attempt to place each child with a nominated friend in their class. We do not take parent requests for teachers or for students to be placed together. Please respect the teachers' professionalism as they place students in a class that will best meet their educational needs. Speak to your child's class teacher or contact me directly should you have any educational concerns regarding your child's placement.

Beginning of the Year Procedures for 2020

When students return next year, they will be placed in temporary or holding classes until we can ascertain our final numbers as numbers change over the holiday break. Once this is done, we can finalise the class structures and move into permanent classes. We expect this process to take only a few days. During this time, all children will be actively involved in lessons around road safety, friendships and anti-bullying as well as returning to the study of English, Maths, Science, PD/H/PE and Creative Arts. This year, teachers have already commenced planning for 2020. We look forward to seeing students return on Wednesday 29 January 2020.

Year 1 and 2 Swimming Carnival Success

The Year 1 and 2 Swimming Carnivals were a great success last week with all students getting in the water and trying their very best. We were very impressed with the house cheers, committed students and the team atmosphere on the day. Thank you to all the wonderful parents who helped us with the day and those who supported from the side lines. Thank you to our teachers who coordinated and helped with the event, Larissa and Oleg for their ongoing support with all things to do with swimming and a very special thank you to Mrs Pentelow, Mrs Consalvi and Mrs Ranasinghe, Mr Smith, Mrs Shield and Mrs Hallinan for their leadership of the carnivals.

End of Year Fun Days!

K-2 Festivity Day

On Monday students in Years K – 2 will be treated to a performance of 'Trace of Magic'. They will then complete some Christmas craft in their classrooms. Thank you to Miss Buckle, Mrs Brown and Mrs Capper for organising the performance. Children are invited to wear Christmas colours or a touch of Christmas e.g. santa hat or reindeer ears and tinsel.

Stage 2 - Moving Bodies

Our Picnic Day for 2019 will be held at the Moving Bodies Centre in Mt Kuring-gai on Friday. Students in Stage 2 will be participating in a fun day of physical activities such as a climbing wall, Ninja course, athletics and gymnastics. Whilst at the centre, students will participate in supervised activities and follow all safety instructions provided by the Moving Bodies staff.

Please be reminded that students will be required to wear their sports uniforms, school hats, sunscreen and comfortable shoes. Please ensure students bring a drink bottle, recess and lunch. Students should pack these items in a school backpack or smaller bag. The permission note can be found under the 'Notes' tab on the school website.

Year 5 - Surf Education

Year 5 will once again complete a surf education course on Friday 13 December at Freshwater Beach, Freshwater.

Students should wear appropriate mufti clothing, with covered shoes to be worn to and from Freshwater Beach. Thongs can be worn on the sand and rash vests will be provided. Sunscreen should be applied

before coming to school and will be reapplied throughout the day. No singlet tops or sleeveless tops should be worn for sun safety reasons.

The purpose of the excursion is to develop the students' surf safety and awareness. Activities will include a surf safety talk, board and body-board paddling, beach volleyball, tube rescue relays, flag relays, wade and bucket races and beach soccer. All activities will be supervised by qualified Surf Smart educators and class teachers.

Farewell Year 6 2019

It is with a heavy heart that we farewell Year 6 2019! They have laughed, cried and learned a great deal about the world and themselves while at Lindfield PS. We wish you well for your future and hope that *'you'll remember Lindfield years'* with fondness.

On Friday, Year 6 have their annual fun day and Year 6 lunch which we are all looking forward to. Final preparations are being made at present and we are sure that Year 6 will enjoy their time on Friday. Thank you to Su Lin Ho and her team of parents for organising the lunch.

As per tradition at Lindfield Public School, the Year 6 Formal Graduation and Year 6 Parents' Cocktail Party will take place next Tuesday night 17 December from 5:45pm. It will be a night of celebration of their time at school and the many wonderful experiences and friendships they have gained.

Following this will be a Stage 3 disco from 7:00pm in the Hall. Thank you to Natalie Brandon and Kellie O'Keefe and the team of Year 5 parents for organising the night. A special thank you to Mr and Mrs Fielden for hosting the Cocktail Party in their home.

On Wednesday at 2:30pm we will have our 'clap out' for all of our leavers to send them off in style!

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2019, we have a small number of children who could have a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6. How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reason

HELP PLEASE!

WATER...

The gardens are dry and there is no rain coming any time soon

If your child has water in their water bottle at the end of the school day that would otherwise be tipped down the sink, please encourage them to pour it onto a plant instead (especially a droopy looking one). It would be a great help.

Thank you to today's helpers

Christmas Mini-Concert Celebration

It was wonderful seeing all the ensembles share the stage at the Christmas Concert on Sunday afternoon. Once again, we would like to extend our **THANKS** to many of the **local Lindfield shops** for being so generous and willing to support the Strings Raffle this year. The next time you dine or shop, please consider supporting these amazing Lindfield businesses!

Thank you for a wonderful year

Congratulations on another fantastic year of Strings! All children should have received their participation patches for 2019. They all worked hard for these patches throughout the year and we are proud of the amazing progress they have all made.

Thanks again to the conductors, **Adrian** and **Mark**, for the year that has been. To our ensemble reps – **Janice, Kajsa, Janet, Kieu** – liaising on behalf of their ensemble group and for the *numerous* emails they have had to field and send. Our thanks to Strings Committee members – **Daphne, Margaret** and **Fiona**, to **LPS** for their support of this program ...and, of course, to Strings Convenor, **Mary A**, who volunteers countless hours each week so that our children can play in LPS String Ensembles! Your passion is evident to all!

What next?

We have one last set of auditions next **Monday 16 December** (scales and sight reading). Once the audition results have been discussed with the conductors, we will be in contact with the offer of positions for 2020.

In 2020, private tutorials and ensembles (except Mozart) will start once we have confirmed the use of the classrooms with the school. This will only be after the school has finalised their classes for 2020. Your tutor will be in contact in Term 1 2020 and will inform you when and where the first lesson will take place.

In the meantime, stay safe and enjoy a well earned break over Christmas and New Year.

2020 School Travel Applications Now Open

To assist with any enquiries you may receive regarding student travel applications, we have provided some information below.

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to year 3 and year 7 no longer need to re-apply *if* they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.
