Principal's Message

Students win again!

There was plenty of excitement at the Swimming Finals Night with all students displaying speed and skill. One record was broken on the night by Kristian N from 4G completing the Junior 200M Individual Medley in 3:17 and many students swam a personal best. The final event of the evening was the teacher/student challenge relay. The teachers fielded a strong team with the surprise inclusion of Oleg but despite being told that they were swimming for their jobs...the students won. Well done Year 6 swimmers! I have put the teachers on notice for next year and training has already begun! Thanks for joining in the fun Oleg, Mr Elsley, Mr Reid, Mrs Chapman and Mr Gortley.

Many thanks to Seahorses Swim Club, Larissa, Oleg, Mr Elsley, Mr Brock, parent and teacher volunteers and the BBQ volunteers for making the evening such a success.

K-2 Toilet Upgrade worth the wait!

On Monday morning, K-2 students were treated to a surprise as they were able to use the upgraded toilets for the first time. The toilet block has been gutted with every toilet, tile, door, tap, wash trough, urinal and gate replaced. They look and smell fresh and clean! Boys are learning to use the automatic urinals and everyone loves the Dyson hand dryers. We are grateful to the Department of Education Assets Unit for the provision of these excellent toilet facilities.

K-2 Assembly

Last Thursday students from 2T capably led the first assembly of 2020. Six Gold Awards were presented and our Blue Assembly Award winners were congratulated for outstanding efforts in class. Keep up the good work! Thanks Mrs Pentelow for leading us in singing 'Louise' – we really enjoyed it.

HIGH POTENTIAL GIFTED LEARNER POLICY – EARLY ADOPTER SCHOOLS PROGRAM

Lindfield Public School is one of a few schools selected to be part of the Early Adopter program for the new High Potential Gifted Learner Policy which will be mandatory across all public schools in 2021. Megan Lockery, Cyrus Katrak and Libby Hamilton recently attended a Leaders workshop where they evaluated practices and considered directions for implementing this policy at Lindfield Public School. The aim of this new policy is to find the potential, develop talent and make a difference for students across the four domains of intellectual, creative, physical and social-emotional. We look forward to developing initiatives over the coming months.

Deputy Principals' Message

Chickens in Year 1

There is a lot of excitement in Year 1 as students watch chickens hatch from eggs kept in incubators. Children will learn all about the chickens and will do a variety of activities in the coming weeks including writing information reports.

Clean up Australia Day

Clean Up Australia Day is on Sunday 1 March this year. Clean up Australia inspires and empowers communities to clean up, fix up and conserve our environment. This Friday (28 February) our students will be allocated different parts of the school to clean up. This will involve students picking up rubbish from the playground and tidying some areas around the school. We strongly encourage students to bring a recycled bag and gloves in order to help on the day.

Ethics Teachers Needed

We are looking for a willing volunteer to teach Ethics this year. Volunteers would be required to undergo some training, attend a face-to-face workshop and be prepared to teach at school from 10:30-11:00am each Tuesday during term time. If you would like to volunteer please contact Mr Hayllar (peter.hayllar@det.nsw.edu.au) or Dr Sonya Willis (sonya.willis@mq.edu.au) via email for more information.

No PSSA Training or Sport this week

Due to the Zone Swimming Carnival there will be no training or PSSA games on Friday 28 February. Good luck to all our Zone swimmers!

Class Parents - We need you!

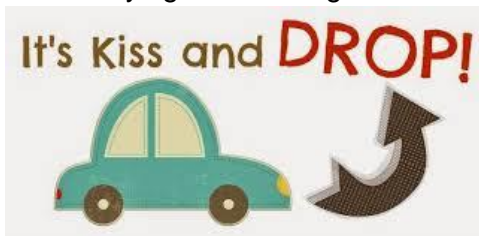

Thank you to the wonderful parents who have already volunteered to be a class parent. If you are interested in taking on this role, please return your Expression of Interest form to your classroom teacher as soon as possible. Please see the Expression of Interest form later in the Lines for details about being a Class Parent.

Supervision and 'Kiss and Drop'

Please note that teacher supervision commences at 8:30am. Students must not be at school before this time unless they are at Lindfield Activity Centre, Swimming or under the direct supervision of a parent/carer. This is to ensure student safety and for Child Protection reasons. Students should arrive at school between 8:30am and 8:55am. Students who arrive at school after 9:00am must report to the front office accompanied by a parent/carer to be given a late arrival note. This note should be given to the class teacher.

In the afternoon, it is expected that students are collected from school promptly at 3pm as teacher supervision ceases at this time. For our children's safety, it is expected that students in Kindergarten, Year 1 and 2 are collected from their classrooms. Students must leave school promptly and are not permitted to play in the playground unsupervised. Students are not allowed to wait in the playground for an after school activity as there is no supervision. Please assist us by collecting your children promptly or reminding them to leave school when the bell goes.

We are trying to encourage students to be independent in the mornings and be ready to start lessons as soon as the bell goes. Please assist us by 'kissing and dropping' your child in the playground and then leaving. This is especially important in the K-2 Maple Playground area as we are such a big school that we don't have room for parents/carers to wait around for the children to begin classes. Thank you for your cooperation in ensuring we all work together to keep our students safe.

Selective High School Tests

The test for entry into Selective High School in 2021 will take place on Thursday 12 March. Parents and carers will soon receive information in regards to the test location and times.

The School Photographer Class Photos

This year our class photographs will be taken over two weeks. Our main class photo day will be held on Thursday, 12 March 2020 for students in Years K- 4 and 5HS, 5K and 5NJ. The Year 6 and 5/6 class photos will be taken on Thursday, 19 March 2020, as several Year 6 students will be taking part in the Selective High School Test. Sibling photos will be taken on the Thursday 12 of March if all siblings are present. Individual and sibling photos that have been missed due to absence will be taken on Thursday, 19 March.

A note and individual envelopes were handed out this week. You may pay with cash or complete an online payment. If ordering online you will come to the screen shown here via 'The School Photographer' website: www.theschoolphotographer.com.au.

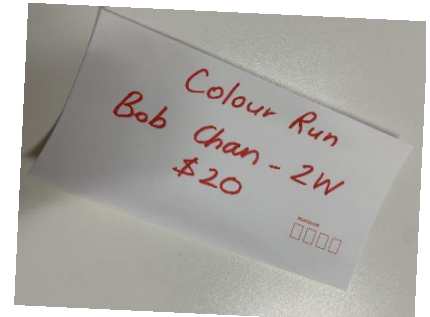

Please ensure that an individual envelope is completed for each child and returned to your child's class teacher. Full summer school uniform will be worn on photo day (no sports uniforms, please). If you would like to order sibling photos, please obtain a separate sibling photo envelope from the office and return it to the Administration Box. These photos will be taken during lunch time on the same days.

Raising Kids & Teens in a Screen World

WITH
Dr Kristy
GOODWIN

Dr Kristy Goodwin a digital parenting educator, author and researcher (& mum who also deals with her kids' techno-tantrums), delivers research-based information to parents about the overwhelming and confusing task of raising young kids and adolescents in a digital world. Dr Kristy arms parents with simple strategies to manage screen-time at home without tears and tantrums and without having to constantly fret about their online safety. Kristy will explain, why our kids and teens become infatuated (not 'addicted') to technology, why they find it hard to switch off devices (and throw techno-tantrums) and how we can help our kids and teens develop healthy digital habits.

Kirsty will share the current risks to kids' online safety (the 3P's- predators, pornography and peers in the form of cyber-bullying) and will explore why we need to avoid using screen-time as a reward or punishment tool. In this engaging seminar Kristy shares realistic advice about how to ensure screens don't compromise our kids' and teens' physical health (sleep, physical activity, vision, hearing and posture), emotional health (cyber-bullying, cyber-safety, use of social media) and learning (the academic costs of multi-tasking). Kristy empowers parents with simple ideas and strategies to help them be the pilot of the digital plane.

Anaphylaxis at Lindfield Public School

At Lindfield Public School in 2020, we have a small number of children who could have a potentially life threatening allergic reaction. They are found across our school from Kindergarten to Year 6.

How can parents help these children?

- Choose alternative sandwich spreads to peanut butter and Nutella. Inform your child that these foods can trigger an anaphylactic reaction.
- Reinforce the school's **NO FOOD SHARING** message.

Please note, no students are allowed to bring glass bottles to school for safety reason

2020 Premier's Reading Challenge

STARTS NEXT WEEK!

The Premier's Reading Challenge begins on **Monday 2 March** and will conclude on **Friday 28 August**. All students will receive a letter next week during their Library lesson with more information.

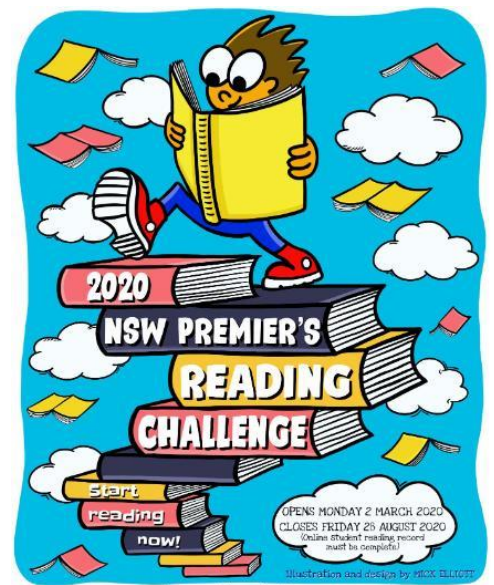

This is a free, state-wide program available to all NSW schools. Students are encouraged to read a certain number of books depending on their year level from a set list of books. These books can be readily found in our school Library and at local council Libraries.

We strongly encourage your child to take part in this very worthwhile Challenge. It is designed to inspire a love of reading, can help improve literacy skills and exposes children to quality literature. It also helps to support our students to aspire in Library lessons, as part of our whole-school ROAR expectations, by encouraging our students to read a wider and diverse range of books. Students who complete the Challenge will be named and congratulated in our school newsletter and Years 3-6 now also have their own 'Wall of Fame' in our school Library!

To assist and encourage all K-2 students to take part in the Challenge, books read in class and in Library will be added to student lists by the Teacher Librarian. So please do not be concerned if you see different books added to your child's list that you have not entered yourself.

The number of books each student is required to read can be found below:

Challenge	Number of books you must read	Minimum number of PRC books	Maximum number of Personal Choice books	PRC booklists you can read from
K-2	30	25	5	K-2, 3-4, 5-6, 7-9
3-4	20	15	5	3-4, 5-6, 7-9
5-6	20	15	5	5-6, 7-9
7-9	20	15	5	5-6, 7-9

www.premiersreadingchallenge.nsw.edu.au

All books will need to be logged online via the NSW PRC website using your child's individual logon details. This is the same username and password they use to access computers and Oliver Library at school. Years 3-6 students will be given time to complete their records online during Library lessons.

NEW RULES!

Some exciting new rules have just been announced! Go to <https://online.det.nsw.edu.au/prc/rules.html> for more information, updated privacy information and lists of certificates awarded.

Please do not hesitate to contact or see us in the Library if you have any questions or issues with logging in or entering titles!

Good luck and happy reading!

Kindy Lunch Orders: Look out for 'Collect Me' stickers

We're thrilled to see all the bright-eyed Kindy faces at the Canteen this week! Some lunch order items are kept warm/refrigerated and need to be collected from the Canteen. To help our emerging readers, we will be using 'collect me' stickers so they know when to pick up items (from the K-2 Canteen window, near Community Room). Tell your Kindy children to keep an eye out for these stickers on their lunch order bags (for below items).

Brown paper bag: Please collect

- Pizza (Monday, Wednesday)
- Salmon/avocado sushi (Monday, Wednesday, Friday)

Frozen: Please collect a frozen order (available every day)

- Fruit juice stick, frozen yoghurt, moozie, Juicies, frozen watermelon

Attention Year 3-6 students with PSSA Orders

PSSA orders are kept warm/refrigerated until you return to school, but only if you select 'PSSA' when you order on Fridays – the option is under 'Alerts'. Some PSSA students forgot this step last week. We don't like lunches sitting outside for long periods of time.

New Recess Item for Yr3-6: Pizza Toast

We are trialling Pizza Toast for recess: a slice of wholemeal toast with pizza sauce and cheese, fresh out of the oven at 11am. This warm high fibre snack will keep kids full until lunch. Try our meal deal with Pizza toast + boiled egg + home-made apple jelly for an extra protein hit. You can order via Flexischools for recess.

GOOD LUCK TO OUR ZONE SWIMMERS!

Congratulations to all the swimmers who are racing in the Zone Carnival on Friday. The coaches would like to remind our young swimmers to stay relaxed, try your best and enjoy the experience.

As the Carnival is being held at SOPAC (Homebush), our Junior squad has been cancelled for the day.

THANK YOU TO OUR VOLUNTEERS

Parents and carers, this is a special Thank You for supporting swimming at LPS. Your help on the BBQ, serving, supervising at breakfast club, timekeeping, marshalling and more is appreciated. Without such time given the program would not be as vibrant or popular. The children love seeing their mum or dad or grandparent on & around the pool deck!

WAITLIST

Due to the popularity of Swimming at LPS some of our squads and lessons are currently full. If you are advised that you will be waitlisted please be assured that we actively manage the waitlist and try to get children enrolled as quickly as we can. Your patience is appreciated.
