

Class Contact List

Please return this note to the class teacher.

Each class is assisted by a number of parents who act as class representatives. To assist them with this task, it is helpful if the class representatives have your phone number and email. The list is distributed to each family in that class.

The purpose of this list is to communicate school activities and social events. It will not be used for political issues or marketing promotion.

Child's Name: _____
(First Name) (Last Name)

Child's Class: _____

I give permission for my phone number and email to be placed on the Class Contact List and to be used by the P&C. I understand that this list will be given to each family in the class, and that the names and email addresses will be used by the Class Parent Representatives for P&C email communications.
